Rolf, 2012-08-21 Now available in paperback the Encyclopedia of International Sports Studies is the most authoritative and comprehensive single volume reference work ever published on sport With over one million words of text arranged into more than 1000 entries and articles it covers the full range of sub disciplines within sports studies including scientific social scientific and medical approaches The encyclopedia is alphabetically organized and consists of principal articles covering key disciplinary areas such as sports economics and sports history large topical entries on central subjects such as resistance training and the diagnosis of sports injuries smaller topical entries on subjects such as cross training and projectile motion short overviews of other important terms and concepts from metabolism and motivation to muscle tension length relationship With over 150 contributing authors from the US UK Canada Australia South Africa Japan New Zealand Hong Kong and continental Europe the Encyclopedia of International Sports Studies is an unparalleled work of sports scholarship Accessibly written facts fronted and including full cross referencing and guides to further reading throughout this is an essential addition to the bookshelf of any student researcher teacher or professional working in sport *The Complete Handbook of Pro Basketball, 1998* Zander Hollander, 1997-10-27 Year after year THE COMPLETE HANDBOOK OF PRO BASKETBALL has provided fans with more basketball news information statistics and scoops than the competition Now in an all new 24th edition this special guide is packed with 29 NBA team scouting reports 350 veteran rookie and coach profiles and predictions for the coming season Whether you watch the game on TV or in person this is the most comprehensive handbook on the game available

National Basketball Association Franchises Frank P. Jozsa Jr., 2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large mid-sized or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective *National Basketball Association Strategies* Frank P. Jozsa Jr., 2014-10-01 This Brief identifies and contrasts the groups of National Basketball Association NBA expansion franchises and of any teams that relocated from one metropolitan area or city to another from 1950 to 2013 It discusses historical differences and similarities in the teams

markets and performances and then as members of divisions and conferences It measures and compares the emergence development and success of the teams by analyzing demographic economic and sport specific data It also discusses the respective mergers of the Basketball Association of America and National Basketball League in 1949 and the American Basketball Association and National Basketball Association in 1976 National Basketball Association Strategies makes an important relevant and useful contribution to the literature regarding professional sports operations and to the NBA s short and long run business strategies in American culture Besides numerous sports fans within metropolitan areas and extended markets of these NBA teams the book s audiences are sports historians and researchers college and public libraries and current and potential NBA franchise owners and team executives This Brief may also be used as a reference or supplemental text for college and university students enrolled in such applied undergraduate and graduate courses and seminars as sports administration sports business and sports management

Reports of the United States Tax Court United States. Tax Court,1978 *Reports of the Tax Court of the United States* United States.
