Summary of Derral Eves's The YouTube Formula Everest Media,2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In 2002 the start up company PayPal had just been acquired by eBay for 1 5 billion This created a lot of buzz in Silicon Valley Three PayPal employees Jawed Karim Chad Hurley and Steven Chen were some of these idea generators They soon came up with the idea for the YouTube website but it was nothing like the website we know today 2 The story of YouTube is a great example of how focusing on the problem can lead you to find solutions The website was initially created as a dating website but when it was realized that the users were posting videos of themselves and their friends doing funny or embarrassing things the company switched gears and began supporting video uploads 3 The YouTube Formula is a set of steps you can follow to gain success on YouTube It consists of analyzing what s working and what s not and making changes accordingly This is the premise on which the whole book is built 4 The YouTube ecosystem is made up of many different parts and each one affects the whole in some way The creator the viewer the advertiser the brand copyright holders and MCNs all contribute to the YouTube experience *TV Guide*

,1993 **The NFL's Greatest Day** Brad Schultz,2019-08-22 A tight dramatic NFL playoff game is exciting on its own but two of the most dramatic in the same afternoon might result in the most compelling day in football history This book is the first to capture the excitement and tension of December 23 1972 when Pittsburgh played Oakland and Dallas met San Francisco in a pair of first round playoff games that captivated millions One game saw Dallas rally from three scores down in the fourth quarter while the other featured the most famous ending in league history the Immaculate Reception This book details both high stakes games as well as the historic season that led each team to the 1972 playoffs Also covered are the men behind the miracles some captured the moment to become heroes and legends while others let success slip through their grasp Two games one afternoon countless memories *The Ultimate History of Video Games, Volume 2* Steven L. Kent,2021-08-24 The definitive behind the scenes history of video games explosion into the twenty first century and the war for industry power A zippy read through a truly deep research job You won t want to put this one down Eddie Adlum

publisher RePlay Magazine As video games evolve only the fittest companies survive Making a blockbuster once cost millions of dollars now it can cost hundreds of millions but with a 160 billion market worldwide the biggest players are willing to bet the bank Steven L Kent has been playing video games since Pong and writing about the industry since the Nintendo Entertainment System In volume 1 of The Ultimate History of Video Games he chronicled the industry s first thirty years In volume 2 he narrates gaming s entrance into the twenty first century as Nintendo Sega Sony and Microsoft battle to capture the global market The home console boom of the 90s turned hobby companies like Nintendo and Sega into Hollywood studio sized business titans But by the end of the decade they would face new more powerful competitors In boardrooms on both sides of the Pacific engineers and executives began with enormous budgets and total secrecy to plan the next evolution of home consoles The PlayStation 2 Nintendo GameCube and Sega Dreamcast all made radically different bets on what gamers would want And then to the shock of the world Bill Gates announced the development of the one console to beat them all even if Microsoft had to burn a few billion dollars to do it In this book you will learn about the cutthroat environment at Microsoft as rival teams created console systems the day the head of Sega of America told the creator of Sonic the Hedgehog to f k off how lateral thinking with withered technology put Nintendo back on top and much more Gripping and comprehensive The Ultimate History of Video Games Volume 2 explores the origins of modern consoles and of the franchises from Grand Theft Auto and Halo to Call of Duty and Guitar Hero that would define gaming in the new millennium
