Door Petrusia (Pat) Michie, 2022-03-09 Abuse always gets worse no matter how many times the abuser says he ll change Pat Michie has experienced all types of abuse from physical to mental sexual and financial while growing up married and again in two romantic relationships From her abusers she has lived a life of fear a fear that changed who she was and a fear that forced her to make some decisions she regrets today In Opening the Door Pat shares her story of abuse to not only help her heal but also in hope of helping others in abusive relationships and showing that the cycle of abuse can be broken By revealing her truth she hopes people will understand the different forms of abuse how abuse can affect a victim and what you can do today to overcome it When she finally left her husband in 1987 after twenty five years of severe abuse some members of her family and community rejected her not knowing what went on behind closed doors Pat finally wants to open her door and let people know the real her I am stronger because of my weaknesses alive because I am a fighter compassionate because I suffered and wise because I was foolish I laugh because I cried and love because I ve known loss I have weathered many storms and can now dance in the rain **Fantasy Hockey Standard** , 2014-09-05 There s so much more to winning in

support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less

important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
