Hockey Night in Canada Michael McKinley,2012-10-30 Hockey Night in Canada has reached a great age and for television practically an immortal one because it made itself into something that Canada couldn't live without It is this surge of emotion that connected us all each week and which connects us through the years to now Hockey Night in Canada didn't just aim a camera at a game and observe what happened it actively gave the country a prism through which it could see itself and its evolving diversity We look where the eye of Hockey Night in Canada looks and it looks at us We remember what it remembers We feel what it feels That is the dynamic that has made the show much more than a long lived TV success it is a cultural juggernaut Ask fans where they saw their first hockey game and chances are it was on Hockey Night in Canada Ask the players male or female what first got them into the rink and the answer will be the same they wanted to be like the players on Hockey Night in Canada

Freeberg, 2001-09-01 Hockey is best known for its bad boys those players who spend as much time on the ice swinging punches as they do swinging their sticks Here is an inside look at the exciting suspenseful sometimes outrageous world of an NHL game on the ice and in the sin bin **The California Golden Seals** Steve Currier, 2017-01-01 Hockey has had its share of bizarre tales over the years but none compares to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey's traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game One general manager was hauled in for questioning by mysterious men because he'd mismanaged a player contract while one of the team's goaltenders regularly spat tobacco juice at the feet of referees The California Golden Seals examines the franchise's entire mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a comprehensive season by season narrative and a section of definitive statistics Currier brings to life the Seals entire history with lighthearted anecdotes personal interviews and statistics about hockey's most infamous losing team
