Nationally recognized nutritionist Sandra Woodruff demystifies the process and explains how anyone can tailor a low carb plan to their individual needs to achieve long term weight loss. She provides hundreds of delicious recipes, innovative menu plans, instructive cooking tips and helpful advice for eating out. The healthy eating plan in **Secrets of Good Carb Low Carb Living** includes lean proteins, healthy fats and good carbs to not only lose weight but also to lower blood sugar and cholesterol levels and help correct metabolic syndrome and insulin resistance. Now anyone can get better results from their low carb diet or formulate a new eating plan specifically for their needs. With Sandra Woodruff low carb living never tasted so good.
