New York Journal of Romance, General Literature, Science and Art ,1854 Romance, illustrated, a complete weekly novelette ,1897 **A Captain in the Ranks: A Romance of Affairs** George Cary Eggleston,1904-01-01 The slender remnant of Lee s artillery swung slowly into position a few miles west of Appomattox Court House Wearily but with spirit still the batteries parked their guns in a field facing a strip of woodland The guns were few in number now but they were all that was left of those that had done battle on a score of historic fields Lee had been forced out of his works at Richmond and Petersburg a week before Ever since with that calm courage which had sustained him throughout the later and losing years of the war he had struggled and battled in an effort to retreat to the Roanoke River He had hoped there to unite the remnant of his army with what was left of Johnston s force and to make there a final and desperate stand In this purpose he had been baffled Grant s forces were on his southern flank and they had steadily pressed him back toward the James River on the north In that direction there was no thoroughfare for him Neither was there now in any other Continual battling had depleted his army until it numbered now scarcely more than ten thousand men all told and starvation had weakened these so greatly that only the heroism of despair enabled them to fight or to march at all The artillery that was parked out there in front of Appomattox Court House was only a feeble remnant of that which had fought so long and so determinedly Gun after gun had been captured Gun after gun had been dismounted in battle struggle Caisson after caisson had been blown up by the explosion of shells striking them Captain Guilford Duncan at the head of eleven mounted men armed only with sword and pistols paused before entering the woodlands in front He looked about in every direction and with an eye educated by long experience in war he observed the absence of infantry support *Against the Romance of Community* Miranda Joseph,2002 An unexpected and valuable critique of community that points out its complicity with capitalism Community is almost always invoked as an unequivocal good an indicator of a high quality of life caring selflessness belonging Into this common portrayal *Against the Romance of Community* introduces an uncommon note of caution a penetrating sorely needed sense of what precisely we are doing when we call upon this ideal Miranda Joseph explores sites where the ideal of community relentlessly recurs from debates over art and culture in the popular media to the discourses and practices of nonprofit and nongovernmental organizations to contemporary narratives of economic transformation or globalization She shows how community legitimates the social hierarchies of gender race nation and sexuality that capitalism implicitly requires Joseph argues that social formations including community are constituted through the performativity of production This strategy makes it possible to understand connections between identities and communities that would otherwise seem disconnected gay consumers in the United States and Mexican maquiladora workers Christian right family values and Asian crony capitalism Exposing the complicity of social practices identities and communities with capitalism this truly constructive critique opens the possibility of genuine alliances across such differences Lloyd's Penny Weekly Miscellany of Romance

and General Interest ,1843 *John Wayne* Richard D. McGhee,2016-09-30 After the death of Marion Morrison known as John Wayne in 1979 President Jimmy Carter said that Wayne was bigger than life In an age of few heroes he was the genuine article But he was more than a hero he was a symbol of many of the qualities that made America great The first section of this study concentrates on Wayne s style of work and sphere of action as an actor The man who works for a living and is concerned with his audience and the constraints of his immediate environment The second section examines the artist the man who lives in his art who disappears into his character as an archetype of human fears and desires Analyses of films that have made Wayne a hero are presented in the third section A comprehensive filmography and numerous photographs are included **The Romance of Trade** A.W.
