Rodgers,2022-07-20 Miss Middleton s scores are indeed a frozen moment in time which prove the existence in 1913 and 1914 of automatic phonic decoding of print as opposed to conscious psycholinguistic decoding of print The scores also prove that automatic decoding does result from the phonic sound method to teach reading since that is how Miss Middleton s children learned to read However the reading experts in 1914 and after must have misinterpreted scores like Miss Middleton s wildly fluctuating scores which obviously were the result of freely wandering attention by concluding instead that the scores had proved that the sound method had failed The truth is that such low reading comprehension scores on silent reading comprehension tests for phonic trained classes suggest the presence of healthy automatic conditioned reflexes in reading Such scores may result from the Miss Middleton Effect of voluntarily wandering attention while reading automatically Her children simply did not bother to pay attention to what they were reading automatically but could have done so if they felt like it Yet the inferior deaf mute sight word method forces children s attention to meaning or they cannot read at all They may therefore score higher on simple reading comprehension tests but far far worse on spelling and on reading correctly the actual words on the page **Raising a Reader** Bonnie D. Schwartz,2003-11-05 With so many discussions and theories on reading and how children learn to read it can be very confusing for parents to know the best way

to get their kids to read In *Raising a Reader* Bonnie Schwartz lays out simple researched and practice proven approaches that a parent can do to promote literacy in the home and encourage children to explore the great adventures to be found in books The first step in fostering literacy and good reading strategies in the home is to learn a little bit about how language is acquired and how this affects the development of reading The purpose of this book is to expose parents to these processes and build a knowledge base of basic games activities and strategies parents can easily use at home to foster reading development
