Music Streaming around the World David Hesmondhalgh, 2025-10-21 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more Music streaming platforms such as Spotify Apple Music YouTube and those offered by Chinese web giant Tencent are now central to everyday musical activity across much of the world with enormous ramifications for musical culture in modern societies Bringing together case studies from twelve countries Music Streaming around the World provides the first international account of how streaming is shaping music culture today by considering the implications of streaming platforms for the production distribution and consumption of recorded music around the globe The Ultimate Digital Music Guide Michael Miller, 2012-06-24 Everything You Need to Know about Digital Music Your hard core up to the minute how to guide Download rip store organize play stream anything anywhere Seriously into digital music Best selling how to author serious audiophile and eclectic music lover Michael Miller will help you get all the digital tunes you want whenever and wherever you want them Miller guides you through today's best new options from iTunes to Spotify helps you make the most of social music Internet radio and cloud music services even shows how to transform your home into a digital music paradise This book is packed with practical answers easy step by step instructions insider tips great ideas and new music sources you never knew existed For everyone who's passionate about music Discover brand new digital music services sites and devices that fit your lifestyle Find great new music on iTunes Amazon and sites you've never heard of Get the truth about piracy file sharing and copyright Find huge amounts of legally free music Rip store and organize Build your perfect music library Determine the best audio file format and compression rate for your collection Create simply amazing playlists Stream songs anywhere with Spotify Pandora Internet radio and the cloud Get great sound from your iPod or iPhone on your home audio system Build a whole house digital audio system the easy way Choose your best next media player Apple or otherwise Find and share tunes on Facebook Twitter Google and beyond **Living with Algorithms** Ignacio Siles, 2023-04-25 A nuanced account from a user perspective of what it's like to live in a datafied world We live in a media saturated society that increasingly transforms our experiences relations and identities into data others can analyze and monetize Algorithms are key to this process surveilling our most mundane practices and to many their control over our lives seems absolute In Living with Algorithms Ignacio Siles critically challenges this view by surveying user dynamics in the global south across three algorithmic platforms Netflix Spotify and TikTok and finds surprisingly a more balanced relationship Drawing on a wealth of empirical evidence that privileges the user over the corporate Siles examines the personal relationships that have formed between users and algorithms as Latin Americans have integrated these systems into the structures of everyday life enacted them ritually participated in public with and through them and thwarted them Sometimes users follow algorithms Siles finds

and sometimes users resist them At times users do both Agency lies in the navigation of the spaces in between By analyzing what we do with algorithms rather than what algorithms do to us Living with Algorithms clarifies the debate over the future of datafication and whether we have a say in its development Concentrating on an understudied region of the global south the book provides a new perspective on the commonalities and differences among users within a global ecology of technologies

Media Imperialism Oliver Boyd-Barrett,Tanner Mirrlees,2019-08-19 Media Imperialism Continuity and Change advances applied theoretical research on 21st century media imperialism The volume includes established and emerging researchers in international communications who examine the geopolitical economic technological and cultural dimensions of 21st century media imperialism The volume highlights and challenges how news entertainment and social media uphold unequal power relations in the world Written in an accessible style this volume marries conceptual theoretical sophistication and concrete illustration with rich case studies and global examples Chapters cover the complete media spectrum from social media to Hollywood to news and national propaganda in national and transnational analyses Readers will find discussions that range from soft power and China to the USA s empire of the internet to the rise of Chindia in a post American media world The volume is essential reading for upper level undergraduate postgraduate and research communities across a wide range disciplines in the social science and the humanities

Digital Entertainment Superguide , Audio and video content is all around us And these days much of it comes not from TV cables satellite dishes and radio antennas but from our digital devices around the house streaming over the Internet and local networks And that s why we created the Digital Entertainment Superguide a primer with everything you need to know to get started This book walks you through how to set up your home network and choose the right hardware set top boxes smart TVs media center computers streaming speakers remote controls and more for your needs Like to watch TV shows and movies but not sure where to find what We ve got you covered with a guide to streaming video sources for your TV or mobile devices We don t leave music lovers out either as we help you choose the best streaming audio service Do you want Mog Rdio Rhapsody Slacker or Spotify How much does each service cost Which sounds best We answer all those questions and more in the pages that follow Finally if you re wondering how to move audio and video around the house stream music wirelessly from an iPhone to an AirPlay speaker in the living room or send video from a computer to your beautiful wall mounted HDTV you ve come to the right place We ll even show you how to use your smartphone or tablet to control it all So read on and let the fun begin

Time, Talent, Energy Michael C. Mankins,Eric Garton,2017-02-14 Managing Your Scarcest Resources Business leaders know that the key to competitive success is smart management of scarce resources That s why companies allocate their financial capital so carefully But capital today is cheap and abundant no longer a source of advantage The truly scarce resources now are the time the talent and the energy of the people in your organization resources that are too often squandered There s plenty of advice about how to manage them but most of it focuses on individual actions What s really needed are organizational

solutions that can unleash a company's full productive power and enable it to outpace competitors Building off of the popular Harvard Business Review article Your Scarcest Resource Michael Mankins and Eric Garton Bain Company experts in organizational design and effectiveness present new research into how you can liberate people's time talent and energy and unleash your organization's productive power They identify the specific causes of organizational drag the collection of institutional factors that slow things down decrease output and drain people's energy and then offer a pragmatic framework for how managers can overcome it With practical advice for using the framework and in depth examples of how the best companies manage their people's time talent and energy with as much discipline as they do their financial capital this book shows managers how to create a virtuous circle of high performance **Music in Esports** Eulalia Febrer-Coll,2025-07-21

This book invites the reader to expand their idea of esports as an independent niche and consider it an integral part of a growing multi and transmedia ecosystem that includes the global entertainment industry where music plays an essential role The music present in and around esports games is an integral part of how they are communicated and mediated and as such holds a central role in binding their narratives cohesively and coherently to appeal to their audiences Popular music theory is placed at the foundation of the issues raised in the chapters as it is taken as a cornerstone for linking the esports

international scene with the music industry This text uses specific case studies from popular esports to support and illustrate each chapter including League of Legends Counter Strike and Fortnite This book will be of great interest to researchers and students in the fields of esports game design and development musicology and media studies The Informal Media

Economy Ramon Lobato,Julian Thomas,2018-06-05 How are grey market imports changing media industries What is the role of piracy in developing new markets for movies and TV shows How do jailbroken iPhones drive innovation The Informal Media Economy provides a vivid original and genuinely transnational account of contemporary media by showing how the interactions between formal and informal media systems are a feature of all nations rich and poor large and small Shifting the focus away from the formal businesses and public enterprises that have long occupied media researchers this book charts a parallel world of cultural intermediaries driving global media production and circulation It shows how unlicensed untaxed or unregulated networks which operate across the boundaries of established media markets have been a driving force of media industry transformation The book opens up new insights on a range of topical issues in media studies from the creative disruptions of digitisation to amateur production piracy and cybercrime Platformed! How Streaming, Algorithms and

Artificial Intelligence are Shaping Music Cultures Tiziano Bonini,Paolo Magaudda,2023-12-27 Grounded in more than a decade of field research this book uses empirical examples quantitative data and qualitative interviews with young music consumers as well as music industry professionals to understand how the platforms behind music production distribution and listening work in our digital society Bringing together the perspectives from science and technology studies media studies and the political economy of digital platforms the book outlines the process of mutual construction between music digital

platforms and the cultural value of music in today's society and also reflects on the complicated relationship between the power of platforms and the agency of listeners

American Rap Scenes Lavar Pope, 2025-05-01 *American Rap Scenes* examines the history and legacy of rap music in 25 American cities through factors of geography migration movements music and technology Providing area centered analysis of a culture many see as monolithic Lavar Pope highlights the unique histories of rap music and Hip Hop culture how and why these scenes developed in 25 mid size and major cities across the country More so than other genres of music rap offers historical record of a multigenerational Black music that is region and locale specific and opens a window into the Black experience in America Highlighting global stars and key local artists alike *American Rap Scenes* features artists contextualized within their city of origin from Andre 3000 Atlanta Kendrick Lamar Compton and Common Chicago to Too Short Oakland Freddie Gibbs Gary and Akon Jersey City The 25 scenes covered in this book are South Bronx Manhattan and Harlem Queens Brooklyn Staten Island Hempstead Philadelphia Newark and Jersey City Boston Los Angeles and Compton Oakland and the San Francisco Bay Area Seattle and Portland Chicago and Gary Indiana St Louis Minneapolis Detroit Houston New Orleans Memphis Atlanta Miami Hampton Virginia Washington D C and Baltimore Honolulu San Juan Puerto Rico and Saint Thomas USVI These scenes have been chosen for the documented and longstanding histories of their local music making communities as well as similarities in the evolution of the local environment and geography the proximity and timeline of Black Latinx and Caribbean migrations and the impact of the Civil Rights Racial Justice and Women's Movements

Feminism and Gender Politics in Mediated Popular Music Ann Werner, 2022-08-11 What does it mean in a polarized political climate that feminism was popular in mainstream popular music of the 2010s Engaging with feminist theory and previous research about gender and music this book investigates the meaning of current trends relating to gender feminism and woman identified artists in mediated popular music The examples discussed throughout the book include Netflix documentaries by Beyoncé Lady Gaga and Taylor Swift the Swedish music industry MeToo petition r/musikentystnar music streaming services gender equality work and the project Keychange striving to bring underrepresented genders to the stage The volume discusses the media specificity of the different examples introduces and explains feminist theories and concepts and analyzes the position of women gender politics and feminisms in popular music

Copyright's Excess Glynn Lunney, 2018-04-12 Tests copyright's fundamental premise that more money will increase creative output using the US recording industry from 1962-2015

The Oxford Handbook of Christmas, 2020-10-21 *The Oxford Handbook of Christmas* provides a comprehensive interdisciplinary account of all aspects of Christmas across the globe from the specifically religious to the purely cultural The contributions are drawn from a distinguished group of international experts from across numerous disciplines including literary scholars theologians historians biblical scholars sociologists anthropologists art historians and legal experts The volume provides authoritative treatments of a range of topics from the origins of Christmas to the present decorating trees to eating plum pudding from the

Bible to contemporary worship from carols to cinema from the Nativity Story to Santa Claus from Bethlehem to Japan from Catholics to Baptists from secularism to consumerism Christmas is the biggest celebration on the planet Every year a significant percentage of the world's population is drawn to this holiday from Cape Cod to Cape Town from South America to South Korea and on and on across the globe The Christmas season takes up a significant part of the entire year For many countries the holiday is a major force in their national economy Moreover Christmas is not just a modern holiday but has been an important feast for most Christians since the fourth century and a dominant event in many cultures and countries for over a millennium The Oxford Handbook of Christmas provides an invaluable reference point for anyone interested in this global phenomenon

Spotification of Popular Culture in the Field of Popular Communication Patrick Burkart, 2020-09-10 This edited collection considers various meanings of the Spotification of music and other media Specifically it replies to the editor's call to address the changes in media cultures and industries accompanying the transition to streaming media and media services Streaming media services have become part of daily life all over the world with Spotify in particular inheriting and reconfiguring characteristics of older ways of publishing distributing and consuming media The contributors look to the broader community of music media and cultural researchers to spell out some of the implications of the Spotification of music and popular culture These include changes in personal media consumption and production educational processes and the work of media industries Interdisciplinary scholarship on commercial digital distribution is needed more than ever to illuminate the qualitative changes to production distribution and consumption accompanying streaming music and television This book represents the latest research and theory on the conversion of mass markets for recorded music to streaming services

Spotify Teardown Maria Eriksson, Rasmus Fleischer, Anna Johansson, Pelle Snickars, Patrick Vonderau, 2019-02-19 An innovative investigation of the inner workings of Spotify that traces the transformation of audio files into streamed experience Spotify provides a streaming service that has been welcomed as disrupting the world of music Yet such disruption always comes at a price Spotify Teardown contests the tired claim that digital culture thrives on disruption Borrowing the notion of teardown from reverse engineering processes in this book a team of five researchers have playfully disassembled Spotify's product and the way it is commonly understood Spotify has been hailed as the solution to illicit downloading but it began as a partly illicit enterprise that grew out of the Swedish file sharing community Spotify was originally praised as an innovative digital platform but increasingly resembles a media company in need of regulation raising questions about the ways in which such

cultural content as songs books and films are now typically made available online Spotify Teardown combines interviews participant observations and other analyses of Spotify's front end with experimental covert investigations of its back end The authors engaged in a series of interventions which include establishing a record label for research purposes intercepting network traffic with packet sniffers and web scraping corporate materials The authors innovative digital methods earned them a stern letter from Spotify accusing them of violating its terms of use the company later threatened their research funding Thus the book itself became an intervention into the ethics and legal frameworks of corporate behavior **Popular**

Music in a Digital Music Economy Tim Anderson, 2013-12-17 In the late 1990s the MP3 became the de facto standard for digital audio files and the networked computer began to claim a significant place in the lives of more and more listeners The dovetailing of these two circumstances is the basis of a new mode of musical production and distribution where new practices emerge This book is not a definitive statement about what the new music industry is Rather it is devoted to what this new industry is becoming by examining these practices as experiments dedicated to negotiating what is replacing an object based industry oriented around the production and exchange of physical recordings In this new economy constant attention is paid to the production and licensing of intellectual property and the rise of the social musician who has been encouraged to become more entrepreneurial Finally every element of the industry now must consider a new type of audience the end user and their productive and distributive capacities around which services and musicians must orient their practices and investments **Streaming Music, Streaming Capital** Eric Drott, 2023-12-29 Eric Drott undertakes a wide ranging

study of the political economy of music streaming to engage in a broader reconsideration of music's complex relation to capitalism **Strategic Management** Richard Lynch, Oliver Barish, Vinh Sum Chau, Charles Thornton, Karl S. R. Warner, 2024-04-03 Taking a truly international approach Strategic Management offers you comprehensive coverage of all the core areas of business strategy in a reader friendly way Thoroughly updated and with the addition of four brand new authors the tenth edition features Balanced treatment of prescriptive and emergent models of strategic management Application of strategic theory to key areas such as technology and innovation sustainability entrepreneurial and public sector strategy Cutting edge content on navigating change in the strategic environment digital transformation strategies and the role of strategic groups 15 brand new case studies showcasing real life examples from recognisable brands such as Coca Cola Airbnb Apple Tesla Toyota Alibaba Samsung Starbucks and UK banks plus updated case material throughout A range of practical tools to support your learning including summaries of key strategic principles strategic project ideas critical reflections questions and further reading Suitable for both undergraduate and postgraduate study Professor Richard Lynch is Emeritus Professor of Strategic Management at Middlesex University London Dr Oliver Barish is Lecturer in Management at Birkbeck Business School Birkbeck University of London Dr Vinh Sum Chau is Senior Lecturer in Strategy at Kent Business School University of Kent Dr Charles Thornton is Lecturer in Service Operations Management and Business Strategy at
