Taxation and the Cost of Capital in Hungary and Poland International Monetary Fund,1990-12-01 This paper compares the effective rates of taxation faced by a representative investor located in a major capital exporting country for investments in machinery and buildings in nine capital importing European countries Poland and Hungary are found to have relatively high effective tax rates on equity financed investment The analysis suggests that both countries would benefit from streamlining capital cost recovery allowances and possibly lowering statutory corporate tax rates as permitted by the revenue constraint rather than providing tax preferences for foreign investors

The Relevance of Fiscal Conditions for the Success of European Monetary Integration International Monetary Fund,1989-01-01 The paper argues that international differences in fiscal conditions influence the relative attractiveness of locating production facilities in different countries and could prove to be a troublesome source of instability for the European economies Even though physical capital movements tend to occur slowly divergent fiscal conditions can exert pressures on exchange rates in the short run and the monetary policy reactions induced in a fixed exchange rate regime may affect real wage rates and or employment levels The implications for tax harmonization and budget discipline are discussed It is argued that monetary integration itself will not induce fiscal discipline

Do Taxes Matter for Long-Run Growth? Harberger's

Superneutrality Conjecture Mr. Gian Milesi-Ferretti, Mr. Enrique G. Mendoza, Patrick K. Asea, 1995-08-01 Harberger's superneutrality conjecture contends that although in theory the mix of direct and indirect taxes affects investment and growth in practice growth effects of taxation are negligible This paper provides evidence in support of this view by testing the predictions of endogenous growth models driven by human capital accumulation The theoretical analysis highlights implications of different taxes for growth and investment in these models The empirical work is based on cross country regressions and numerical simulations using a new methodology for estimating aggregate effective tax rates Results show significant investment effects from income and consumption taxes that are consistent with small growth effects The results are robust to the introduction of other growth determinants [Starting an Etsy Business For Dummies](#) Kate Gatski, Kate Shoup, 2013-07-30 The easy way to build an online craft business from scratch Starting an Etsy Business For Dummies offers expert advice for artists and entrepreneurs looking to build an online craft business from scratch You'll get invaluable information on how to set up an Etsy shop write compelling item descriptions photograph your work engage the Etsy community understand fees and find your muse when it takes a holiday In the last couple of years the DIY movement has transcended the big box hardware stores and has taken on a new format in the savvy crafting arena Starting an Etsy Business For Dummies shows you how to create manage and successfully sell handmade wares vintage goods and DIY supplies using the world's largest online handmade marketplace Coverage new to this edition includes the latest in flash sale partners best practices for applying SEO to your shop and listings new tools for sellers and much more Includes tips for increasing local sales by connecting with other local vendors through seller communities Covers harnessing the power of Pinterest to promote and protect your business If DIY is your domain Starting an Etsy Business For Dummies gives you the skills knowledge and know how to create a successful business that pays [Starting an Etsy Business For Dummies](#) Allison Strine, Kate Shoup, 2011-08-15 The easy way to build an online craft business from scratch Starting an Etsy Business For Dummies offers expert advice for artists and entrepreneurs looking to build an online craft business from scratch You'll get invaluable information on setting up your online shop writing compelling item descriptions photographing your work engaging the Etsy community understanding fees and finding your muse when it takes a holiday In the last couple of years the DIY movement has transcended the big box hardware stores and has taken on a new format in the savvy crafting arena Etsy.com boasts an astonishing 1.9 million members and there are tens of thousands of craft and hobby bazaars held each year across the United States Starting an Etsy Business For Dummies shows you how to create manage and successfully sell handmade wares vintage goods and DIY supplies using the world's largest online handmade marketplace Learn to sell your handmade wares vintage goods DIY supplies online at Etsy.com Create and manage your own successful Etsy storefront Merchandise your unique creations and drive buyers to your shop If DIY is your domain Starting an Etsy Business For Dummies gives you the skills knowledge and know how to create a successful business that pays *Taxation of Petroleum*

Products Mrs.Poonam Gupta,Mr.Walter Mahler,1994-03-01 The domestic taxation of petroleum products is an important source of revenue in most countries However there is a wide variation of tax rates on petroleum products across countries which cannot be explained by economic theory alone This paper surveys different considerations advanced for taxing petroleum and presents petroleum tax rate data in 120 countries It concludes that a significant reduction in the present extremely wide variation in petroleum prices and tax rates appears warranted

Tax Administration in Developing Countries Mr.Charles Y. Mansfield,1987-06-01 This paper examines the role of tax administration in developing countries from an economic perspective The traditional separation of tax policy and tax administration in the literature is shown to break down in developing countries where tax administrators decide in what manner complicated tax legislation should actually be applied After surveying economic literature dealing with tax administration the paper offers guidelines on how tax administrators can help implement more efficient and equitable tax systems
