TikTok For Dummies Jesse Stay, 2021-04-30 It's not too late to get on the TikTok train. You may know TikTok as the home of the latest dance crazes and cute puppy videos. But do you know how to go about harnessing the power of its massive audience for more than showing off your own dance moves? And are you too late to the TikTok game to make an impact? In *TikTok For Dummies*, expert digital strategist and author Jesse Stay delivers an easy-to-read and robust discussion of how you can engage with TikTok's millions of users in a fun and productive way. He'll walk you through the steps of creating and securing an account, finding the best content to engage with, and creating your own videos that reflect you or your business in the best possible light. You'll discover how to install the app and create a profile that attracts followers and views. Learn about the latest security issues and keep yourself safe on the platform. Find the best content that's most relevant to you so you can engage with the community. Create your own videos that resonate with the TikTok audience and have viral potential. Perfect for anyone ready to dive into the world of TikTok, either for fun or for professional reasons, *TikTok For Dummies* is the easiest and most reliable way to go beyond the dances and learn the ins and outs of the popular app. **Competing without**

Fighting Seth G. Jones, Emily Harding, Catrina Doxsee, Jake Harrington, Riley McCabe, 2023-09-11 China is conducting an unprecedented campaign below the threshold of armed conflict to expand the influence of the Chinese Communist Party and weaken the United States and its partners. The scale of China's actions in the United States is unparalleled. This CSIS report offers one of the most comprehensive analyses to date of Chinese political warfare activities and examines China's main actions, primary goals, and options for the United States and its partners. *Social Media* Christian Fuchs, 2024-11-01 You will never look at social media the same way again. Social media are an integral part of contemporary society. From news, warfare, politics, advertising, consumption, entertainment, friendships, labour, and economy to friendships, leisure, language, and everyday life, they have changed the way we communicate, use information, and understand the world. Social media shape and are shaped by contemporary society. In order to understand contemporary society, we have to ask critical questions about social media. This book is the ultimate guide for digging deeper into issues of ownership, power, class, and justice. This book equips you with a critical understanding of the complexities and contradictions at the heart of social media's relationship with society. The Fourth Edition contains new chapters and has updated and revised versions of other chapters. The book includes a new chapter on TikTok in the context of global capitalism and the geopolitical conflict between China and the USA. It explores new topics such as information and social media warfare in the context of Russia's invasion of Ukraine, the implications of Elon Musk's acquisition of Twitter for democracy and the public sphere, the prospects of Twitter alternative Mastodon, digital fascism, influencers, and the attention economy on TikTok, digital capitalism, the role of big data in digital capitalism, The Public Service Media and Public Service Internet Manifesto, social media's digital alienation, and Putinism and information warfare. It explores populism, racism, nationalism, militant patriarchy in a chapter on right-wing authoritarianism.

on social media that includes two case studies of Donald Trump and Putinism It analyses the phenomenon of social media influencers in the age of TikTok Instagram YouTube and Snapchat It explains in an updated chapter what digital capitalism is and what role big data plays in it It explores the growing prominence of platforms and platform capitalism It analyses fake news misinformation and surveillance capitalism in the context of Facebook WhatsApp Cambridge Analytica and the Internet Research Agency It shows why Google is simultaneously the Internet s God and Satan It discusses digital democracy and the digital public sphere in the context of Twitter It challenges you to envision and achieve a truly social media that serves the purposes of a just and fair world It introduces platform co operatives and the Public Service Internet There are winners and losers in the age of digital capitalism This book is an essential guide for anyone who wants to critically understand how we got to digital capitalism and capitalist social media what we can do about it and what a democratic public sphere looks like
