discrimination as he rose within the glossy world of New York high society and high fashion. Chronicling his rise to success as a fashion designer, Prabal reveals the inner workings of this beautiful, treacherous, rarefied world and what it takes to survive. With brutal honesty, Prabal takes us on a journey from Nepal to New York and from the harrowing experiences that shaped him to his inspiring, hard-won ascent to the designer he is today, dressing American icons like Oprah Winfrey, Michelle Obama, and Kamala Harris. *Walk Like a Girl* is also an ode to Prabal's mother, Durga Rana, whose unwavering love and support gave him the courage to be unapologetically himself. To understand that the things people wanted to shame out of him were paradoxically his superpowers. A defiant anthem for the soul, *Walk Like a Girl* is an invitation to rewrite your story, to shatter the mold into which society has tried to cast you. When we learn to embrace the power of vulnerability, the beauty of imperfection, and the infinite possibilities within each of us, we begin to see the extraordinary power within ourselves waiting to be unleashed.
