Teach Yourself VISUALLY Dreamweaver CS4 Janine Warner,2009-04-27 Are you a visual learner Do you prefer instructions that show you how to do something and skip the long winded explanations If so then this book is for you Open it up and you'll find clear step by step screen shots that show you how to tackle more than 150 Dreamweaver CS4 tasks Each task based spread covers a single technique sure to help you get up and running on Dreamweaver CS4 in no time You'll learn to Design and preview a Web page Format text and resize images Build fillable Web based forms Create a rollover image Open linked pages in new windows Work with cascading style sheets Upload pages and test your site Each Teach Yourself VISUALLY book offers these key features Helpful sidebars that offer practical tips and tricks Full color screen shots that demonstrate each task Succinct explanations that walk you through step by step Two page lessons that break big topics into bite sized modules Unruly Media Carol Vernallis,2013-11 Unruly Media argues that we are the crest of a new international style in which sonic and visual parameters become heightened and accelerated This audiovisual turn calls for new forms of attention Post classical cinema with its multi plot narratives and flashy style fragments under the influence of audiovisual numbers and music video like sync Music video becomes more than a way of selling songs YouTube's brief low res clips encompass many forms and foreground reiteration graphic values and affective intensity These three media are riven by one another a trajectory from YouTube through music video to the new digital cinema reveals commonalities especially in the realms of rhythm texture and form This is the first book to account for the current audiovisual landscape across medium and platform and it demonstrates that attending equally to soundtrack and image reveals how these media work and how they both mirror and shape our experience The New Enlightenment and the Fight to Free Knowledge Peter B. Kaufman,2021-02-23 How do we create a universe of truthful and verifiable information available to everyone In *The New Enlightenment and the Fight to Free Knowledge* MIT Open Learning's Peter B Kaufman describes the powerful forces that have purposely crippled our efforts to share knowledge widely and freely Popes and their inquisitors emperors and their hangmen commissars and their secret police throughout history all have sought to stanch the free flow of information Kaufman writes of times when the Bible could not be translated you'd be burned for trying when dictionaries and

encyclopedias were forbidden when literature and science and history books were trashed and pulped sometimes along with their authors and when efforts to develop public television and radio networks were quashed by private industry In the 21st century the enemies of free thought have taken on new and different guises giant corporate behemoths sprawling national security agencies gutted regulatory commissions Bereft of any real moral compass or sense of social responsibility their work to surveil and control us are no less nefarious than their 16th and 18th and 20th century predecessors They are all part of what Kaufman calls the Monsterverse The New Enlightenment and the Fight to Free Knowledge maps out the opportunities to mobilize for the fight ahead of us With the Internet and other means of media production and distribution video especially at hand knowledge institutions like universities libraries museums and archives have a special responsibility now to counter misinformation disinformation and fake news and especially efforts to control the free flow of information A film and video producer and former book publisher Kaufman begins to draft a new social contract for our networked video age He draws his inspiration from those who fought tooth and nail against earlier incarnations of the Monsterverse including William Tyndale in the 16th century Denis Diderot in the 18th untold numbers of Soviet and Central and East European dissidents in the 20th many of whom paid the ultimate price Their successors Advocates of free knowledge like Aaron Swartz of free software like Richard Stallman of an enlightened public television and radio network like James Killian of a freer Internet like Tim Berners Lee of fuller rights and freedoms like Edward Snowden All have been striving to secure for us a better world marked by the right balance between state society and private gain The concluding section of the book its largest piece builds on their work drawing up a progressive agenda for how today s free thinkers can band together now to fight and win With everything shut and everyone going online The New Enlightenment and the Fight to Free Knowledge is a rousing call to action that expands the definition of what it means to be a citizen in the 21st century **Communicatio Socialis** Helmuth Rolfes,2007

Medium Law Daithí Mac Síthigh,2017-09-13 Why should anyone care about the medium of communication today especially when talking about media law In today s digital society many emphasise convergence and seek new regulatory approaches In Medium Law however the medium theory insights of Harold Innis Marshall McLuhan and the Toronto School of Communication are drawn upon as part of an argument that differences between media and technological definitions continue to play a crucial role in the regulation of the media Indeed Mac Síthigh argues that the idea of converged cross platform medium neutral media regulation is unattainable in practice and potentially undesirable in substance This is demonstrated through the exploration of the regulation of a variety of platforms such as films games video on demand and premium rate telephone services Regulatory areas discussed include content regulation copyright tax relief for producers and developers new online services conflicts between regulatory systems and freedom of expression This timely and topical volume will appeal to postgraduate students and postdoctoral researchers interested in fields such as Law Policy Regulation Media Studies Communications History and Cultural Studies **Social Informatics** Giovanni Luca Ciampaglia,Afra
