Kirby,2025-05 A Marginal Revolution Best Non fiction Book A fascinating book Steven Mintz Inside Higher Ed Substantive on virtually every page the author actually understands how universities work An impressive performance Tyler Cowen Marginal Revolution With his extraordinary breadth of curiosity and equal ease in the histories and cultures of these countries only Bill Kirby could have written this book It is must reading for everyone who cares about universities a thought provoking lesson in the strange mix of durability and vulnerability that defines this key modern institution Richard Broadhead President Emeritus Duke

University William Kirby's new book is unique. I know of nothing else on higher education that resembles it in breadth, scope, and sheer comparative information and analysis. Anyone interested in the nature of universities during the past two centuries will want to read this volume. Neil L. Rudenstine, President Emeritus, Harvard University. Today, American institutions dominate nearly every major ranking of global universities. Yet in historical terms, America's preeminence is relatively new, and there is no reason to assume that US schools will continue to lead the world a century from now. Indeed, America's supremacy in higher education is under great stress, particularly at its public universities, while Chinese universities are on the ascent. Will China threaten American primacy? *Empires of Ideas* looks to the past two hundred years for answers, examining the successes of leading universities to determine how they rose to prominence and what threats they currently face. William C. Kirby gives special attention to the challenges that Chinese academic leaders must confront: reinvesting in undergraduate teaching; developing new models of funding; and navigating a political system that may undermine a true commitment to free inquiry and academic excellence.

**Bounce Back** Lynnette Khalfani-Cox, 2024-01-04

In *Bounce Back*, veteran financial coach and bestselling author Lynnette Khalfani Cox explains how she slayed six figures of consumer debt in a mere three years and went on to build a seven-figure personal net worth. The author shows you how to take on and defeat the most common and difficult challenges facing Americans today: from debt, disability, and job downsizing to disasters, discrimination, divorce, and more. She draws on her own extensive experience helping people with their most intractable financial problems, the wisdom of other money coaches, financial therapists, certified financial planners, and psychologists, as well as the inspiring stories of everyday people who have bounced back from adversity. Emphasizing the critical importance of emotional, financial, social, and physical resilience, *Bounce Back* demonstrates 10 practical and hands-on techniques you can implement immediately to build your resilience and recover fiscally and emotionally from the most frequently experienced personal finance setbacks. You'll also discover how to handle the ever-rising cost of living and the increased impact of high levels of inflation. Actionable strategies for burning down your debt as fast as reasonably possible. Practical advice for people who face discrimination and maltreatment in the financial, housing, and employment markets. An essential and endlessly inspiring roadmap to a better financial tomorrow. *Bounce Back* is an expert guide to transforming a seemingly impossible challenge into a manageable setback you can overcome with skill, faith, and resilience.
