Book of the Month Jennifer Probst, 2024-10-22 From New York Times bestselling author Jennifer Probst discover *Book of the Month* She's desperate for another bestseller and she'll go to any length to get it Even if it means sacrificing her pride to chase the hottest bachelor in town and get him to break her heart Once the literary world's golden girl Aspen Lourde can't seem to produce another successful book and the pressure's on to prove she's not just a one-hit wonder But there's a catch her bestseller was a heartbreak hit straight from her own love-life disaster Without any fresh romantic turmoil to fuel her pen Aspen needs inspiration quick enough to create a book her agent can sell to her publisher So she escapes for the summer to the Outer Banks with a plan to live a story worth writing Brick Babel is a romance novelist's dream a local heartthrob with a reputation as wild as the horses running free in the town He's everything Aspen needs for a muse kickstart gorgeous moody and notoriously unattainable His affairs are legendary in the small town and every woman warns her off including her sister Too bad a good heartbreak is exactly what she needs to meet her deadline But Brick refuses to play the game rejecting all of her advances When Aspen hears his tour company is on the verge of bankruptcy she offers him a deal fake a whirlwind summer romance then ditch her drama guaranteed Desperate to save his grandfather's business Brick agrees to the ridiculous deal What starts as a contractual fling spirals out of control as lines blur and real feelings emerge Brick's falling hard and Aspen's rethinking her plot twist The novel might be her ticket back to the top but at what cost Because Aspen's finally found her muse but some stories may be too true to share *Book of the Month* isn't just about finding love where you least expect it It's about finding yourself in the pages of life's unexpected chapters
