Ranking Péter Érdi, 2019-09-13 Human beings are competitive We want to know who is the strongest who is the richest and who is the cleverest of all Some situations like ranking people based on height can be ranked in objective ways However many Top Ten lists are based on subjective

categorization and give only the illusion of objectivity In fact we don't always want to be seen objectively since we don't mind having a better image or rank than deserved

Ranking The Unwritten Rules of the Social Game We All Play applies scientific theories to everyday experience by raising and answering questions like Are college ranking lists objective How do we rank and rate countries based on their fragility level of corruption or even happiness How do we find the most relevant web pages How are employees ranked This book is for people who have a neighbor with a fancier car employees who are being ranked by their supervisors managers who are involved in ranking but may have qualms about the process businesspeople interested in creating better visibility for their companies scientists writers artists and other competitors who would like to see themselves at the top of a success list or college students who are just preparing to enter a new phase of social competition Readers will engage in an intellectual adventure to better understand the difficulties of navigating between objectivity and subjectivity and to better identify and modify their place in real and virtual communities by combining human and computational intelligence Translation editions available in German Korean Japanese Complex Chinese and Simplified Chinese

The Morning Myth Frank J. Rumbauskas, Jr., 2019-06-26 Does the early bird always catch the worm Society largely praises early risers while maligning so called night owls However countless research studies have shown that night owls are more successful and wealthier than early risers The Morning Myth proves that indeed night owls are generally more successful in life than early risers It restores night owls self confidence and encourages them to achieve more on their natural schedules In The Morning Myth Frank J Rumbauskas provides practical tips to help night owls thrive Informs employers about how much productivity they're losing by forcing night owls to be at work bright and early Offers advice on how to schedule both early risers and night owls for maximum productivity Shows night owls how to achieve maximum happiness at work Coaches managers on getting the most out of their night owl employees Whether you're a night owl yourself or employ those who find their work mojo later in the day The Morning Myth breaks down stereotypes and shows you how to increase productivity around the clock

Say Hello Carly Findlay, 2019-02-01 A forthright honest and rousingly triumphant memoir from a woman who has to live with a highly visible different appearance due to a rare skin condition Say hello to Carly In fairytales the characters who look different are often cast as the villain or monsters It's only when they shed their unconventional skin that they are seen as good or less frightening There are very few stories where the character that looks different is the hero of the story I've been the hero of my story telling it on my own terms proud about my facial difference and disability not wanting a cure for my rare severe and sometimes confronting skin condition and knowing that I am beautiful even though I don't have beauty privilege This honest outspoken and thought provoking memoir by award winning writer and appearance activist Carly Findlay will challenge all your assumptions and beliefs about what it is like to have a visibly different appearance Carly lives with a rare skin condition Ichthyosis and what she faces every day and what she has to live with will have you cheering for her and her courage and irrepressible spirit This is both a moving memoir and

a proud manifesto on disability and appearance diversity issues Believe the hype by turns frank funny and fearsome Findlay's extraordinary memoir is an early contender for 2019's best Australian non-fiction a powerful and moving invitation to examine the structures of privilege and dehumanisation that we so desperately need address in this country Better Read Than Dead A proud celebration of appearance difference a valuable read Herald Sun Defiant unsettling and thought provoking The Age

Networked Media, Networked Rhetorics Damien Smith Pfister, 2015-06-10 In *Networked Media Networked Rhetorics* Damien Pfister explores communicative practices in networked media environments analyzing in particular how the blogosphere has changed the conduct and coverage of public debate Pfister shows how the late modern imaginary was susceptible to deliberation traps related to invention emotion and expertise and how bloggers have played a role in helping contemporary public deliberation evade these traps Three case studies at the heart of *Networked Media Networked Rhetorics* show how new intermediaries including bloggers generate publicity solidarity and translation in the networked public sphere Bloggers flooding the zone in the wake of Trent Lott's controversial toast to Strom Thurmond in 2002 demonstrated their ability to invent and circulate novel arguments the pre-2003 invasion reports from the Baghdad blogger illustrated how solidarity is built through affective connections and the science blog RealClimate continues to serve as a rapid response site for the translation of expert claims for public audiences *Networked Media Networked Rhetorics* concludes with a bold outline for rhetorical studies after the internet

What Work Means Claudia Strauss, 2024-06-15 *What Work Means* goes beyond the stereotypes and captures the diverse ways Americans view work as a part of a good life Dispelling the notion of Americans as obsessive workaholics Claudia Strauss presents a more nuanced perspective While some live to work others prefer a diligent 9 to 5 work ethic that is conscientious but preserves time for other interests Her participants often enjoyed their jobs without making work the focus of their life These findings challenge laborist views of waged work as central to a good life as well as post-work theories that treat work solely as exploitative and soul-crushing Drawing upon the evocative stories of unemployed Americans from a wide range of occupations from day laborers to corporate managers both immigrant and native-born Strauss explores how diverse Americans think about the place of work in a good life gendered meanings of breadwinning accepting financial support from family friends and the state and what the ever-elusive American dream means to them By considering how unemployment experiences diverge from joblessness earlier *What Work Means* paves the way for a historically and culturally

informed discussion of work meanings in a future of teleworking greater automation and increasing nonstandard employment

The Gendered Society Michael S. Kimmel, 2017 The sixth edition of *The Gendered Society* explores current thinking about gender both inside academia and in our everyday lives Michael Kimmel challenges the claim that gender is limited to women's experiences his compelling and balanced study of gender includes both masculine and feminine perspectives Kimmel makes three bold and persuasive statements about gender First he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do Kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women Finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon

[The Design, Experience and Practice of Networked Learning](#) Vivien Hodgson, Maarten de Laat, David McConnell, Thomas Ryberg, 2014-01-18 *The Design Experience and Practice of Networked Learning* Edited by Vivien Hodgson Maarten de Laat David McConnell and Thomas Ryberg This book brings together a wealth of new research that opens up the meaning of connectivity as embodied and promised in the term networked learning Chapters explore how contexts groups and environments can be connected rather than just learners how messy unexpected and emergent connections can be made rather than structured and predefined ones and how technology connects us to learning and each other but also shapes our identity These exciting new perspectives ask us to look again at what we are connecting and to revel in new and emergent possibilities arising from the interplay of social actors contexts technologies and learning Caroline Haythornthwaite University of British Columbia Despite creating fundamentally new educational economics and greatly increasing access teaching and learning in networks is a tricky business These chapters illuminate the complex interactions amongst tools pedagogy educational institutions and personal net presences helping us design and redesign our own networks In the process they take or extract network theory from the practice of real teaching and learning contexts making this collection an important contribution to Networked Learning Terry Anderson Athabasca University What kinds of learning can social networking platforms really enable Digging well beneath the hype this book provides a timely incisive analysis of why and how learning emerges or fails to in networked spaces The editors do a fine job in guiding the reader through the rich array of theories and methods for tackling this question and the diverse contexts in which networked learning is now

being studied This is a book for reflective practitioners as well as academics the book s close attention to the political pedagogical and organisational complexity of effective practice and the lived experience of educators and learners helps explain why networked learning has such disruptive potential but equally why it draws resistance from the establishment Simon Buckingham Shum The Open University The networked learning conference a biannual institution since 1998 celebrates its 14th year in this volume Here a range of studies reflecting networked learning experiments across Europe and other global contexts show important shifts away from a conservative tradition of e learning¹ research and unpeel dilemmas of promoting learning as an elusive practice in virtual environments The authors point towards important futures in online learning research where notions of knowledge connectivity and community¹ become increasingly elastic and engagements slide across material and virtual domains in new practices whose emergence is increasingly difficult to apprehend p Tara Fenwick University of Stirling The chapters in this volume explore new and innovative ways of thinking about the nature of networked learning and its pedagogical values and beliefs They pose a challenge to us to reflect on what we thought networked learning was 15 year ago where it is today and where it is likely to be headed Each chapter brings a particular perspective to the themes of design experience and practice of networked learning the chosen focus of the book The chapters in the book embrace a wide field of educational areas including those of higher education informal learning work based learning continuing professional development academic staff development and management learning The Design Experience and Practice of Networked Learning will prove indispensable reading for researchers teachers consultants and instructional designers in higher and continuing education for those involved in staff and educational development and for those studying post graduate qualifications in learning and teaching This the second volume in the Springer Book Series on Researching Networked Learning is based on a selection of papers presented at the 2012 Networked Learning Conference held in Maastricht The Netherlands

The Occupiers Michael A. Gould-Wartofsky, 2015-01-02 Occupy Wall Street burst onto the stage of history in the fall of 2011 First by the tens then by the tens of thousands protestors filled the streets and laid claim to the squares of nearly 1 500 towns and cities until one by one the occupations were forcibly evicted In The Occupiers Michael Gould Wartofsky offers a front seat view of the action in the streets of New York City and beyond Painting a vivid picture of everyday life in the square through the use of material gathered in the course of two years of on the ground investigation Gould Wartofsky traces the occupation of Zuccotti Park and some of its counterparts across the United States and around the world from inception to eviction He takes up the challenges the occupiers faced the paradoxes of direct democracy and the dynamics of direct action and police action and explores the ways in which occupied squares became focal points for an emerging opposition to the politics of austerity restricted democracy and the power of corporate America Much of the discussion of the Occupy phenomenon has treated it as if it lived and died in Zuccotti Park but Gould Wartofsky follows the evicted occupiers into exile and charts their evolving strategies tactics and tensions as they seek to resist regroup

and reoccupy Displaced from public spaces and news headlines the 99 Percent movement has spread out from the financial centers and across an America still struggling to recover in the aftermath of the crisis Even if the movement fails to achieve radical reform Gould Wartofsky maintains its offshoots may well accelerate the pace of change in the United States in the years to come American Cinema of the 2010s Dennis Bingham,2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation s political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters at the expense of mid budget films while new players like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers As the movie business changed films ranging from American Sniper to Get Out found ways to speak to the concerns of a divided nation The newest installment in the Screen Decades series American Cinema in the 2010s takes a close look at the memorable movies visionary filmmakers and behind the scenes drama that made this decade such an exciting time to be a moviegoer Each chapter offers an in depth examination of a specific year covering a wide variety of films from blockbuster superhero movies like Black Panther and animated films like Frozen to smaller budget biopics like I Tonya and horror films like Hereditary This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions *The Total Cat Manual* Weldon Owen,2020-11-03 New for 2020 this paperback edition of The Total Cat Manual brings over 200 invaluable tips from David Meyer Abbie Moore and Dr Pia Salk operators of Adopt A Pet com the world s largest non profit pet adoption website Whether a long time or first time Cat owner this 224 page guide will walk you through how to prepare your home yourself and your family for your new best friend Get ready to welcome a new bundle of furry feline fun into your home and your heart Whose visions for what learning?
