The Build Up Tati Richardson, 2023-03-28 Plenty of sexy chemistry and sensual sizzle in a story line that celebrates family friends and food Booklist starred review A truly unfortunate first day of work leads to unexpected love in this sparkling debut from Romance in Colour podcast cohost Tati Richardson Rumbled and ragged was not how architect Ari James envisioned kicking off her first day at a new firm And few things can top the horror of her new and extremely hot colleague walking in on her at the worst moment ever Learning that she ll be working with him on the project that s supposed to get her career back on top makes it harder than ever to focus on her big comeback With a partnership at his firm on the line nothing is going to stand in the way of Porter Harrison absolutely killing it on his new project not his obnoxious rival not his unpredictable brother and definitely not his new coworker whose gorgeous curves he accidentally saw and now can t get out of his head Though neither of them is looking for love once their creative juices get flowing Ari and Porter s connection is obvious But when their shared goal has always been winning at work building a solid foundation for a relationship might end up costing them everything
