Sweet on You (A Bradford Sisters Romance Book #3) Becky Wade, 2019-04-30 Britt Bradford and Zander Ford have been the best of friends since they met thirteen years ago. Unbeknownst to Britt, Zander has been in love with her for just as long. Independent and adventurous Britt channels her talent into creating chocolates at her hometown shop. Zander is a bestselling author who's spent the past 18 months traveling the world. He's achieved a great deal but still lacks the only thing that ever truly mattered to him: Britt's heart. When Zander's uncle dies of mysterious causes, he returns to Merryweather, Washington, to investigate, and Britt is immediately there to help. Although this throws them into close proximity, both understand that an attempt at romance could jeopardize their once-in-a-lifetime friendship. But while Britt is determined to resist any change in their relationship, Zander finds it increasingly difficult to keep his feelings hidden. As they work together to uncover his uncle's tangled past, the truth of what lies between them also finally comes to light. [Death in the Romance Aisle](#)

Lynn Cahoon, 2023-09-05 Rarity Cole is taking full advantage of her second chance at life after recovering from breast cancer, running a bookstore in Sedona and a support group for fellow survivors. She's also discovered a knack for defeating other kinds of deadly threats. Rarity is excited about expanding the romance section of her store but not nearly as excited as her best friend Sam is about reuniting with her brother after many years. Marcus makes the trek from California to Arizona, is welcomed with a party, and hints that he may stick around now that remote work is an option. But is it just a coincidence that not long after his arrival a body is found near a local swimming hole? Especially considering that the dead woman had recently gone on a date with him and even worse that Marcus has a startling secret in his past? The police suspect him, but Rarity hopes to find another explanation before Sam is once again separated from her sibling by prison walls. Includes a yummy recipe.

The Romance of a Great Store Edward Hungerford, 2022-07-31 In *The Romance of a Great Store*, Edward Hungerford offers readers a meticulous exploration of the inner workings and the expansive history of a retail institution elevated by his refined prose and detailed narrative style. The book transcends a mere chronicle of a department store; it encapsulates the sweeping societal changes and the evolution of consumer culture through the ages. The rich narrative weaves in historical context while maintaining a lyrical quality that engages the literary enthusiast. Reflecting DigiCat Publishing's commitment to revering works that represent significant cultural touchstones, Hungerford, a seasoned author with an affinity for detailing historical progressions and socio-economic narratives, has meticulously researched the subject matter, possibly fueled by a personal fascination with the confluence of commerce, history, and society. His articulate rendition of a Great Store's story doubles as a subtle commentary on modernity. The immersive experience Hungerford provides is a testament to his deep understanding of the tapestry that commerce weaves into human lives, presumably stemming from thorough observation and a thoughtful perspective on economic evolution.
