The Dirty Secrets of the Rich and Powerful James-Brent Styan, 2024-06-01 In 2018 the world watched as 82 per cent of all wealth created was claimed by the top 1 per cent of the global population The bottom 50 per cent of humanity saw no increase at all While one new billionaire was created every two days one in every four South Africans were living on less than R18 per day not enough to buy a loaf of

bread Inequality has always been part of the world we live in but in the past twenty years the situation has worsened We have seen the rise of mega corporations where regional companies have become global players power brokers that are richer and more powerful than most countries This has seen businesses record ever increasing profits while they pay ever decreasing taxes How is this happening In South Africa millions of people depend on the services and products of mega corporations but to what extent do these corporations influence and affect the lives of their consumers What do these companies do with all the power that is in their hands In *The Dirty Secrets of the Rich and Powerful* James Brent Styan casts the spotlight on economic inequality and unpacks historical and ongoing business practices that have a real influence on people today This book takes you right into the corridors of power and behind the closed doors of the boardrooms of the rich and powerful to show you how and why the status quo seems so unfair **Streaming Culture** David Ardit, 2021-04-15 Encouraging us to look beyond the seemingly limitless supply of multimedia content David Ardit calls attention to the underlying dynamics of instant viewing in which our access to our favourite binge worthy show blockbuster movie or hot new album release depends on any given service s willingness and ability to license it **Negotiating Legality** Ji Li, 2024-06-27 An interdisciplinary mixed method study examining Chinese companies interactions with the US legal system

Postdevelopmental Approaches to Digital Arts in Childhood Marissa McClure Sweeny, Mona Sakr, 2025-01-23 This book deconstructs traditional developmental logic around children s engagement with digital media where the focus is on what the digital does to children s bodies and brains Rather than seeing children as vulnerable and passive recipients the authors position children as co creators and digital artists embracing the richness of children s digital play The chapters cover a wide range of topics including indigenous digital art digital drawing learning to code social media and artificial intelligence The authors use a diverse range of theoretical perspectives including posthumanism feminist new materialism social semiotics socialcultural and multimodal approaches to childhood to generate new ways of seeing the relationship between children and the digital The book includes chapters from academics and practitioners based in Australia Canada Sweden the UK and the USA and a companion website showcasing innovative and interactive material including visual essays and soundscapes *Public Health in Asia during the COVID-19 Pandemic* Anoma Veere, Florian Schneider, Catherine Lo, 2025-10-01 Asian countries have dealt with COVID 19 with varying levels of success The WHO s lack of effective leadership in the region has resulted in increasingly contested global health governance The pandemic continues to undermine global health and the highly interdependent economies in Asia have exposed the speed with which pandemics can now spread The security of migrant workers is more precarious than ever Millions have been stranded and face limited access to health services *Public Health in Asia during the COVID 19 Pandemic Global Health Governance Migrant Labour and International Health Crises* provides an accessible framework for understanding the COVID 19 pandemic in Asia through the lens of global governance in health and labour **Contesting Revisionism** Steve Chan, Huiyun Feng, Kai He, Weixing

Hu,2021-06-18 Tension between China and the United States has escalated recently Are these countries headed for an armed conflict The answer to this question depends importantly on their respective foreign policy intentions Does one of them or both intend to challenge and overhaul the existing international order or if you will the rules of the game in conducting international relations This book seeks to discern these countries revisionist impulses and discusses the origins evolution and implications of past and present countries motivated by these impulses for world peace and stability **Platforms, Power, and Friction** Pawel Popiel,Krishnan Vasudevan,2025-06-24 This edited book deconstructs the myth of frictionless digital platform expansion revealing the persistent platform frictions that shape platform economies and politics Through a series of case studies it explores how despite universal aspirations big tech s drive for global expansion and appeal is realized only through encounters with diverse local contexts It is in these frictional encounters that the exact contours of platform power and dominance are negotiated The collection examines how frictions arising in key domains like policy platform design gig labor and platform market relations can both contest and reinforce platform power From user pushback to platform policy changes to the challenges facing platform cooperatives the case studies explore the nuanced realities of actually existing platformization illustrating how local adaptations and resistances shape expanding digital platforms services economies cultures and ideologies This volume contributes an urgent and critical perspective to platform studies foregrounding local power dynamics values and cultures that give the platform economy its actually existing forms It is essential reading for anyone seeking a deeper understanding of the complexities and contingencies in the age of global platform dominance It was originally published as a special issue of Information Communication Society
