Walking Workout Today Open Now:

Run with the Devil or Walk with God Manjuan De La Pas, 2014-11-14 This autobiography is about a character's transition from a curious child to an evil adolescent into a highly self-secure spiritual man. As a child, he loves and is very close to his grandmother, whom although poor, she's always happy, very spiritual, and the only real example of anyone being close to God. He loves to sit down with her and listen curiously as she describes the beauty of heaven as well as reads and explains the at times grim prophecies of the Bible. Still too young to understand, he would remain a confused and bitter unbeliever due to all the pain and suffering that surrounded him on a daily basis. He's a child growing up in a very tough, racially divided community who never looks for trouble but trouble always finds him. At first, he could care less and isn't impressed by the hoods in the fast life. But on the surface, compared to his mother and any hard-working individual, it was the hoods that had it all. So by the time he'd become an adolescent, he's tired of being poor; any good he had left in him has faded, and he vows to do whatever it takes to get ahead, even if he has to kill. In the process, he prays to the devil, makes an abundance of money, gains power, and attains an unbelievable amount of notoriety. He'd become almost uncontrollable to the point where he's very aware but doesn't care that he only has two stops left: life in prison or eternal death in hell. Until one fateful day when he's made to think about his only son after a crime he'd committed that could have hurt or even killed an enemy's innocent kids, and thus began his road to repentance.

Humans Being Lou Ann Daly, 2009-07 Like asking the eagle to lumber or bear to fly, you will never find your own graceful state of being by looking outward for direction. Grace appears when you step inward to your unique essence and walk your own path. *Humans Being* is a book dedicated to all who long to find their voice, pursue their passion, and live more fulfilling, creative, and healthier lives. It offers a simple framework in the form of the Universal Soul Grid for reconnecting with unique purpose and voice and for recognizing unconscious choices that block creativity, insight, and lives of ease. The exercises are designed to provide practice

fields for readers to engage at their own pace and to reinforce what it means to live in grace listen to the heart and lead a life of clarity and courage The path to lives of ease and grace is available to all and yet not all of us have been engaging all aspects of this path But its influence and prompting in your life become clear when you look squarely at who you are becoming the results of your choices and the relative ease or difficulty of your life The simple truth in your heart in whatever form you recognize it serves your own unique journey As long as you remember that point faith and courage more easily follow The desire to open your eyes and see where you invest your energy to hold yourself back for whatever reason becomes a curiosity rather than a failure And the possibility of greatness and living your dreams emerges much more clearly
