Partners Llc,2008-05 It was the 50s and life was simple until September 25 1954 That was the night that would be etched in
the memory of the citizens of Stanfield Massachusetts The Chief of Police described the brutal savagery of the double
homicide as the most atrocious crime in the history of the city A fourteen year old girl and the four year old boy in her care
were murdered at the hands of a deranged depraved killer A Thread of Evidence places the reader at the scene of the crime
an eye witness to the senseless stabbing of two innocent children With a piece of crochet thread as their only clue the entire
police department lead by detectives Steven Logan and Raymond Gage scour the city in search of a maniacal savage When all
tips and leads have been exhausted they review all evidence They come back to the thread The only real evidence With
tenacity and perseverance of Logan and Gage the killer is apprehended The reader experiences the twists and turns of the
investigation and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence A Thread of
Evidence has been written as fiction but inspired by an actual event Fifty years later it remains etched in the minds of all who
had lived in the area The author has researched court records newspapers interviewed neighbors police and has drawn on
personal recollections of the crime The story has been recounted over and over and to this day it continues to be discussed A
