Spotify This Week:

Spotify Teardown Maria Eriksson, Rasmus Fleischer, Anna Johansson, Pelle Snickars, Patrick Vonderau, 2019-02-19 An innovative investigation of the inner workings of Spotify that traces the transformation of audio files into streamed experience Spotify provides a streaming service that has been welcomed as disrupting the world of music Yet such disruption always comes at a price Spotify Teardown contests the tired claim that digital culture thrives on disruption Borrowing the notion of teardown from reverse engineering processes in this book a team of five researchers have playfully disassembled Spotify's product and the way it is commonly understood Spotify has been hailed as the solution to illicit downloading but it began as a partly illicit enterprise that grew out of the Swedish file sharing community Spotify was originally praised as an innovative digital platform but increasingly resembles a media company in need of regulation raising questions about the ways in which such cultural content as songs books and films are now typically made available online Spotify Teardown combines interviews participant observations and other analyses of Spotify's front end with experimental covert investigations of its back end The authors engaged in a series of interventions which include establishing a record label for research purposes intercepting network traffic with packet sniffers and web scraping corporate materials The authors innovative digital methods earned them a stern letter from Spotify accusing them of violating its terms of use the company later threatened their research funding Thus the book itself became an intervention into the ethics and legal frameworks of corporate behavior

Diddy Trial Week 8: The Verdict and Bail Denied Matthew Russell Lee, When the jury sent out a note on the afternoon of July 1 in *US v Sean Combs* many wondered if it would be another request for testimony as the jury had asked about Cassie Ventura in the morning Or perhaps another complaint about not following Judge Subramanian's instructions as Juror 25 had been complained about on June 30 But soon Sean Combs whispered to by his lawyer was sitting near catatonic at the defense table staring into space Judge Subramanian came out and recounted that the jury had reached verdicts on counts 2 through 5 but not on Count 1 racketeering conspiracy On that there were unpersuadable opinions on both sides There was discussion of giving a so called Allen charge to go back and try again finally it was decided to send the jurors home with the instruction they come in on July 2 at 9 am and continue deliberating on Count 1 And what might that consist of They had already asked on their first day of deliberations for the law about drug distribution one of the RICO predicates Might they ask about the other possible predicates from arson to kidnapping to obstruction of justice to yes sex trafficking Logically if they had reached a guilty verdict on sex trafficking at least as to Cassie Ventura if not the witness known as Jane the RICO question would be whether others had conspired with Combs for that sex trafficking His travel agent made travel arrangements his security had kept her in a hotel room so that no one would see her swollen face after he beat here that was one of two California kidnapping alleged Why had he said there were unpersuadable opinions against the RICO charge without even asking for evidence about those predicates Having covering the case since Combs arrest and
