Culturally Sensitive Supervision and Training Kenneth V. Hardy, Toby Bobes, 2016-06-10 *Culturally Sensitive Supervision and Training: Diverse Perspectives and Practical Applications* is a comprehensive text that exposes readers to an array of culturally competent approaches to supervision and training. The book consists of contributions from a culturally and professionally diverse group of scholars and clinicians who have been on the frontline of providing culturally competent supervision and training in a variety of settings. Many of the invited contributing authors have developed innovative clinical teaching strategies for skillfully and effectively incorporating issues of culture into both the classroom and the consulting room. A major portion of the book will provide the reader with an insider's view of these strategies as well as a plan for implementation, with one chapter devoted to experiential exercises to enhance cultural sensitivity in supervision and training. The text is intended for use in supervision courses, but trainers and supervisors will also find it essential to their work.

You Will Be Made to Care Erick Erickson, Bill Blankschaen, 2016-02-22 Religious liberty is under attack in America. Your freedom to believe may not last much longer. To all those who say they don't care about the culture war, Erick Erickson has only one response: The Left will not let you stay on the sidelines. You will be made to care. Now the former Editor in Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion secularism: one intent on systematically imposing its agenda and frightening doubters into silence. The book features first-hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening now. **You Will Be Made to Care** offers hope for preserving freedom of conscience with practical steps that believers, families, pastors, church leaders, and citizens can take to resist tyranny and experience a resurgence of faith in America.
