specifically for the Series 4 Apple Watch While much of the content applies equally to older models please know that I didn't attempt to cover discontinued features like glances or time travel As a final selling point I make an intentional effort to avoid a few of my pet peeves and those pertain to incomplete or half a ed instructions I frequently see directions such as tap and go to settings but they leave novice users asking tap where In another example I read the instructions mentioned a workout playlist and how to enable it but assumed nothing went awry and something ALWAYS goes awry I intend to cover those bases for you And if I do by chance make the mistake of omitting a critical detail anywhere in this book know that I was probably distracted by my Apple Watch telling me to get moving or to breathe I apologize ahead of time it wasn't intentional

The Ridiculously Simple Guide to Apple Watch Series 4 Scott La Counte, 2019-10-19 The stage was set in September 2018 It was iPhone's big event The day where journalist and Apple fans alike lusted over the latest and greatest iPhone But a funny thing happened on the way to the announcement Apple Watch Series 4 took everyone's breath away The Apple Watch has of course been around for three years and seen several updates But 2018 was different the watch was finally ready for the masses This wasn't a watch for early adopters or fitness buffs this was the watch your parents and grandparents would get behind In addition to all the great features Apple Watch has always had series 4 is slimmer yet with

a screen that is somehow bigger has optional cellular for making phone calls and streaming music without your phone and drop detection so if you fall and can't get up the fire department is dispatched to your location Everything about it was designed to motivate you to be more active As amazing as all the new features are it's not quite as easy to use as an iPhone the lack of buttons the smaller screen and general UI can make a frustrated initial experience The point of this book is to help new Apple Watch users and users updating to Watch OS 6 from an older device get the most out their investment Are you ready to start enjoying your new Apple Watch Then let's get started Note This book is not endorsed by Apple and should be considered unofficial

Mastering Apple Watch Adidas Wilson, Apple watch is renowned for its wide array of features from the ability to make calls receive text messages directions as well as monitoring your movement among others But this is not all apple watch has to offer since it packs numerous features that you will find interesting Another thing you can do with this watch is customize your built in messages to fit your desire Go to the watch's app on your iPhone then select messages and proceed to default replies You will see all the replies that are currently on your iPhone and swap any of them that you don't like to add something new You can also use this setting if you are thinking about sending the same messages to your friends repeatedly In case you want to return to the app that you were using last it is not required to configure the watch settings over again from the start You can start by simply double pressing on the digital crown to launch the last app you used instantly
