

5 MENTAL HEALTH TIPS AT WORK

Optimize Your Energy Levels

Our energy levels impact our emotional state and ability to manage stress. There are 3 layers: physical, emotional, and mental. Here are a few tips to optimize each layer.

1

2

Block Your Time

By scheduling specific times for each task on your to-do list, you can minimize distractions, stay focused, and accomplish more in less time. To block your time, make sure you plan for it and make them stick.

Be An Advocate For Wellbeing

You have the ability to set the tone for how mental health is perceived and prioritized in the workplace. To show advocacy, welcome conversations to talk about wellbeing and build wellbeing into your team's day-to-day.

3

4

Top Up Other People's Emotional Bank Accounts

To have a healthy relationship, we need to be regularly making "deposits" into their accounts like praising them for good work or being empathetic.

Create an Inclusive Environment

When employees face discrimination, it can lead to depression, disengagement and more. To help everyone feel included, address 'bad' behaviors, give air time to everyone, and model vulnerability.

Writing Women for Film & Television Anna Weinstein, 2023-12-01 This book is a detailed guide to creating complex female characters for film and television. Written for screen storytellers of any level, this book will help screenwriters and filmmakers recognize complicated portrayals of women on screen and evaluate the complexity of their own characters. Author Anna Weinstein provides a thorough analysis of key female characters in film and television, illustrating how some of our greatest screenwriters have developed smart, nuanced and intriguing characters that successfully portray the female experience. The book features in-depth discussions of women's representation both on screen and behind the scenes, including interviews with acclaimed women screenwriters and directors from around the globe. These conversations detail their perspectives on the relevance of women's screen stories, the writing and development processes of these stories, and the challenges in getting female characters to the screen. With practical suggestions, exercises, guidelines, and a review of tired clichés to avoid, this book leaves readers prepared to draw their own female characters with confidence. A vital resource for screenwriters, filmmakers, and directors, whether aspiring or already established, who seek to champion the development of rich, layered and unforgettable female characters for film and television.
