Version 2.0 updated September 10, 2025

Everything Apple relies on your Apple Account. In this book, Glenn answers questions like: What all is my Apple Account used for? How does my iCloud account relate to my Apple Account? What's two-factor authentication, and how do I manage it, and not get locked out of my account? Should I invest in hardware security keys to up the protection of my Apple Account? Are there other mechanisms I can use to ensure that I can recover an Apple Account in the event of a problem? Spoiler: yes! What should I do if I have two or more Apple Accounts or iCloud accounts? Will I lose access to all my Apple media purchases if I move to another country? Can I share an Apple Account with someone else? What does an Apple One subscription offer, and how does it interact with Family Sharing and iCloud storage tiers? Is there an explanation for how code-based and hardware-based second factors protect my account, and how they differ from passkeys? Yes! What exactly should I do if I think someone is hacking my Apple Account? How can I recover a forgotten Apple Account password? What happens if I'm assaulted or drugged, and someone gains access to my iPhone passcode and resets my Apple Account? Sadly, a too-real, if uncommon, problem. What steps should I take if Apple locks me out of my account? If I lose access to an email address associated with my Apple Account, what can I do? What Apple Account changes in recent versions of iOS, iPadOS, and macOS do I need to know about? How can I use Family Sharing to share data and purchases within my family? What types of subscriptions can I manage with my Apple Account, and how? Which payment methods can I associate with my Apple Account, and how do I manage them? And that's just the beginning. Glenn has packed a remarkable amount of concise problem-solving information into this comprehensive book. Read it before you encounter Apple Account problems to minimize your risk, and if you've already encountered a problem, read it to find the best path to a rapid solution.
