Big Data Management Fausto Pedro García Márquez, Benjamin Lev, 2016-11-15 This book focuses on the analytic principles of business practice and big data Specifically it provides an interface between the main disciplines of engineering technology and the organizational and administrative aspects of management serving as a complement to books in other disciplines such as economics finance marketing and risk analysis The contributors present their areas of expertise together with essential case studies that illustrate the successful application of engineering management theories in real life examples

Get Seen Steve Garfield, 2010-01-14 The era of online video has arrived now make it work for your business In the last year the world of online video exploded Hollywood got into the game professional actors and writers joined in and independent producers looked to find their niche Now companies are wide awake to the opportunities for product and brand promotion as well as customer engagement So how do you want to fit into the new online video universe The must have guide Get Seen by Steve Garfield the Paul Revere of video blogging offers a quick and complete toolkit to get you up to speed on the latest that online video and related media have to offer Examines success stories of how companies have used online video Presents a series of plans and tools that businesses can follow as they expand onto the social web Provides clear step by step directions on how to record edit and export videos where to post them how to build a community around their content and what to do to increase views by making it go viral If you re ready to take full advantage of online video s many benefits Get Seen is the one resource you need *De Gruyter Handbook of Media Technology and Innovation* Richard A.

Gershon, 2025-01-27 The De Gruyter Handbook of Media Technology and Innovation brings together scholars from around the world to provide key insights on emerging technology trends and issues related to the fields of media management information technology product design planning and digital lifestyle This handbook is about the power of good ideas It s about those business enterprises government planners educators and entrepreneurs that have harnessed the power of good ideas to become real difference makers in the world we live in Keeping pace with fast paced technology change requires ongoing assessment and reassessment of the media management and technology fields to address important questions and

emerging issues A major premise of this book is that given the complex and ever changing state of media technology we have a responsibility and obligation to engage in a broader interdisciplinary dialogue whose purpose is to understand the current and future state of media technology and innovation as well as to appreciate the social impact that such technologies have on business education and the general public Forecasting the future as any weatherperson or stock broker can tell you is a risky business But in this book we use the phrase the creative next step as a way to talk about the future and what we can expect in terms of the opportunities and challenges going forward

Behavior Dynamics in Media-Sharing Social Networks H. Vicky Zhao, W. Sabrina Lin, K. J. Ray Liu, 2011-04-14 In large scale media sharing social networks where millions of users create share link and reuse media content there are clear challenges in protecting content security and intellectual property and in designing scalable and reliable networks capable of handling high levels of traffic This comprehensive resource demonstrates how game theory can be used to model user dynamics and optimize design of media sharing networks It reviews the fundamental methodologies used to model and analyze human behavior using examples from real world multimedia social networks With a thorough investigation of the impact of human factors on multimedia system design this accessible book shows how an understanding of human behavior can be used to improve system performance Bringing together mathematical tools and engineering concepts with ideas from sociology and human behavior analysis this one stop guide will enable researchers to explore this emerging field further and ultimately design media sharing systems with more efficient secure and personalized services

The Price of Honor M. Barbara Mulrine, 2011-05-31 This biography of George Brinton McClellan Jr son of the Civil War general a congressman and mayor of New York 1904 1910 studies political courage and honor McClellan was a Tammany Hall Democrat who challenged the boss of Tammany Hall Charles Francis Murphy and put principle above party For his disloyalty he paid the price of political oblivion Today this important figure in the modernization of the city is hardly remembered because of the power of his enemies This study emphasizes McClellan s six years as mayor but also covers his youth relationship with his father his career as a reporter years as a congressman and his post political career which included his tenure as an economics history professor at Princeton his brief army career during World War I his retirement years in Washington D C and his burial in Arlington Cemetery

Illegal Online File Sharing, Decision-Analysis, and the Pricing of Digital Goods Michael I. C. Nwogugu, 2016-11-03 Illegal online file sharing costs companies tens of billions of dollars of lost revenues around the world annually and results in lost productivity various psychological issues and significant reduction of incentives to create and innovate Legislative technical and enforcement efforts have failed This book presents psychological theories about why people illegally share files online analyzes and characterizes optimal sanctions for illegal online file sharing introduces new models for pricing of network access and digital content to help reduce illegal online file sharing introduces new content control and P2P systems and explains why game theory does not work in pricing of network access

Watch What They Do, Not What They Say: Estimating

Regulatory Costs from Revealed Preferences Adrien Alvero, Mr. Sakai Ando, Kairong Xiao, 2022-02-25 We show that distortion in the size distribution of banks around regulatory thresholds can be used to identify costs of bank regulation We build a structural model in which banks can strategically bunch their assets below regulatory thresholds to avoid regulations The resulting distortion in the size distribution of banks reveals the magnitude of regulatory costs Using U S bank data we estimate the regulatory costs imposed by the Dodd Frank Act Although the estimated regulatory costs are substantial they are significantly lower than those in self reported estimates by banks

Wristwatch Annual 2017: The Catalog of Producers, Prices, Models, and Specifications Peter Braun, 2016-11-08 The must have guide for the collector of fine wristwatches with complete information including prices on over 1 400 models made by more than 130 international brands The Wristwatch Annual has become a classic for aficionados of fine watchmaking It is a one stop shop for watch buying offering complete specs and prices on over 1 400 models by more than 130 international brands while also tracking the latest developments in the watch industry In addition to the extensive A Z section which includes many new entries senior editor Marton Radkai presents editorial features that take a closer look at a number of exciting American brands on the market today Presenting a wide range of wristwatches with exquisite color photographs and complete specifications for each watch Wristwatch Annual provides collectors with a wealth of information close at hand The book is arranged alphabetically by producer within each producer's section is a brief history of the brand with contact information and specifications and materials for each watch including price movement special features complications case dial band and variations Also included are a glossary and a guide to watch maintenance The clear photography structured layout and lively writing also makes this book a pleasure to read or just browse This year's edition features updated and expanded content focusing on new American brands
