Boundaries Gemma Blythe, 2023-06-30 One of the best poly romances I've ever read Goodreads review The beach isn't the only thing heating up on this couples vacation My life is pretty perfect a house three kids and an amazing husband Nothing could convince me to risk everything I've built with Rafe Until we go on a couples vacation with our best friends and it turns out our beach bungalow has unexpectedly thin walls and Darcy and Alec are definitely taking this trip as an opportunity to ah reconnect The more I hear of Darcy in the room next door the more I find myself wanting to be there wanting to be the one that's giving her so much pleasure And when I confess my feelings to Rafe I'm shocked to learn he's having the same thoughts about Alec There's just one problem we've always been monogamous and so have they But what if I kissed Darcy just once What if Rafe kissed Alec It could simply lead to a vacation we'll never forget or it could change all of our lives

forever Breaking Boundaries is a high heat bi romance that explores intimacy friendship and what happens when the two come together As it is the first in a four book series while this book ends with each married couple happily together please keep in mind there is no happily ever foursome yet Detailed content warnings are available on the author s website

The NBA's Global Empire Joshua K. Wright,2025-03-05 During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association s top talent led by Michael Jordan Magic Johnson Larry Bird and Charles

Barkley shook up the world as they amazed spectators and opponents on their way to winning gold. Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball. Over the next two decades, youth outside of America dreamed of becoming the next Michael Jordan, Kobe Bryant, and LeBron James. The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies. By the 2022-23 NBA season, there were 109 international players from 39 countries, a Canadian franchise, and a league in Africa. Today's best players are Africans, Canadians, and Europeans like Nikola Jokic and Victor Wembanyama. This book presents the history of the NBA's ascension to a billion-dollar global empire, analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium. How essential is globalization for the NBA to thrive in the 21st century? Do the benefits outweigh the geopolitical controversies associated with being a global brand? Is globalization responsible for a decline in American-born NBA players and declining domestic popularity? These questions and others are answered in this first treatment of the NBA's global reach.

East Asia at the Center

Warren I. Cohen, 2023-08-15. Long before the arrival of Western emissaries and powers, East Asian peoples and states were deeply involved in world affairs. In this sweeping account, Warren I. Cohen explores four millennia of international relations from the vantage points of China, Japan, Korea, and Southeast Asia. Writing incisively and authoritatively for readers at all levels, Cohen paints a broad but revealing portrait of East Asia's place in the world. He defines the region's boundaries widely, looking beyond China, Japan, and Korea to include Southeast Asia, and extends the scope of international relations to consider the vital role of cultural and economic exchanges. Cohen examines the system of Chinese domination in the ancient world, the exchanges between East Asia and the Islamic world, Chinese sea voyages to Arabia and East Africa, and the emergence of a European-defined international system. He chronicles the new imperialism of the 1890s, the ascendancy of Japan, the trials of World War II, the drama of the Cold War, and the transformations of East Asian states toward the close of the twentieth century. By showing that East Asia has often been preeminent on the world stage, this book not only recasts the past but also adds crucial historical perspective on international politics today. This second edition of *East Asia at the Center* features new material on the first decades of the twenty-first century.

Magic: The Life of Earvin "Magic" Johnson

Roland Lazenby, 2023-10-24. The definitive biography of the basketball legend Earvin Magic Johnson from the highly respected career sportswriter and author of *Michael Jordan: The Life*. Magic Johnson is one of the most beloved and at times controversial athletes in history. that featured his grand sense of fun He was a master entertainer who directed the Los Angeles Showtime Lakers to the heights of both glory and epic excess all of it driven by his mind blowing no look passes and personal charm Then in 1991 at the height of his charismatic power Johnson shocked the world with a startling cautionary tale about sexually transmitted disease that pushed public awareness of the HIV AIDS crisis Then out came his confession of unprotected sex with hundreds of women each year followed by his retirement an attempted return and a proper farewell on the iconic 1992 Olympic Dream Team Longtime biographer Roland Lazenby spent years tracking the unlikely ascension of Johnson an immensely popular public figure who was instantly scandalized but who then turned to his legendary will to rise again as a successful entrepreneur with another level of hard won success In Lazenby s portrayal Johnson s tale becomes bigger than that of one man It is a generational saga spanning parts of three centuries that reveals a great deal not just about his unique basketball journey but about America itself Through hundreds of interviews with Johnson s coaches representatives past and present teammates opponents friends and loved ones as well as key conversations with Johnson himself over the years Lazenby has produced the first truly definitive study both dark and light of Earvin Magic Johnson Jr the revolutionary player the icon the man
