Call Centers and the Global Division of Labor Andrew J.R. Stevens, 2014-03-26 Call centers have come in the last three decades to define the interaction between corporations governments and other institutions and their respective customers citizens and members The offshoring and outsourcing of call center employment part of the larger information technology and information technology enabled services sectors continues to be a growing practice amongst governments and corporations in their attempts at controlling costs and providing new services While incredible advances in technology have permitted the use of distant and offshore labor forces the grander reshaping of an international political economy of communications has allowed for the acceleration of these processes New and established labor unions have responded to these changes in the global regimes of work by seeking to organize call center workers These efforts have been assisted by a range of forces not least of which is the condition of work itself but also attempts by global union federations to build a bridge between international unionism and local organizing campaigns in the Global South and Global North Through an examination of trade union interventions in the call center industries located in Canada and India this book contributes to research on post industrial employment by using political economy as a juncture between development studies the sociology of work and labor studies

Multistate Guide to Sales and Use Tax Daniel Davis, 2008-09 Multistate Guide to Sales and Use Taxation Construction provides guidance to construction contractors for dealing with the difficult sales and use tax issues inherent in their businesses particularly if they operate in several states In addition to the usual problems in complying with different bodies of law administering a hodge podge of state and local tax rates and dealing with a variety of tax agency audit programs the contract process and insufficient recordkeeping further complicate an already complicated task
