[Great Transition, The: The Personalization Of Finance Is Here](#) Emmanuel Daniel,2022-09-27 This book outlines the transition that the finance industry will go through from its platform stage today into the Personalization of Finance Emmanuel Daniel uses the story of the ice trade to describe a level of personalization never seen before It will have a profound effect on how institutions markets and societies will function in the network age He introduces the term financialization of everything to describe how entire economies will interact with

cryptocurrencies blockchain and new trends in gaming to shape the personalization of society This book is especially useful for innovators disruptors and policy makers looking for original ideas on finance economics and society shaping the industry today Anglicisms around the Globe Henrik Gottlieb, Anabella-Gloria Niculescu-Gorpin, Alicja Witalisz, Keisuke Imamura, Jaime W. Hunt, 2025-11-14 This collection explores the global impact of English through fact based and contrastive analyses of different types of Anglicisms across a wide range of languages This volume showcases the ways in which contact induced language change operates across several different languages simultaneously This approach allows for an examination of similarities and differences in the adaptation processes of English models in languages with differing phonetic morphological syntactic and writing systems Drawing on data from the Global Anglicism Database GLAD the first multilingual repository featuring lexical and phraseological Anglicisms chapters look not only at visible Anglicisms such as augmented reality or easy listening which reflect their English origin but also at invisible Anglicisms cases in which English expressions are translated verbatim and cases when words in a recipient language change their meaning due to English influence This volume offers a multi layered perspective on how Anglicisms develop and blend into different languages and readers are presented with a nuanced understanding of contact induced language change This book will appeal to students and scholars interested in language contact World Englishes language policy and planning bilingualism and lexicography

The Power of Ethics Susan Liautaud, 2021-01-05 The essential guide for ethical decision making in the 21st century The Power of Ethics depicts ethical decision making not in a nebulous philosophical space but at the point where the rubber meets the road Michael Schur producer and creator of The Good Place It s not your imagination we re living in a time of moral decline Publicly we re bombarded with reports of government leaders acting against the welfare of their constituents companies prioritizing profits over health safety and our best interests and technology posing risks to society with few or no repercussions for those responsible Personally we may be conflicted about how much privacy to afford our children on the internet how to make informed choices about our purchases and the companies we buy from or how to

handle misconduct we witness at home and at work How do we find a way forward Today s ethical challenges are increasingly gray often without a clear right or wrong solution causing us to teeter on the edge of effective decision making With concentrated power structures rapid advances in technology and insufficient regulation to protect citizens and consumers ethics are harder to understand than ever But in *The Power of Ethics* Susan Liautaud shows how ethics can be used to create a sea change of positive decisions that can ripple outward to our families communities workplaces and the wider world offering unprecedented opportunity for good Drawing on two decades as an ethics advisor guiding corporations and leaders academic institutions nonprofit organizations and students in her Stanford University ethics courses Susan Liautaud provides clarity to blurry ethical questions walking you through a straightforward four step process for ethical decision making you can use every day Liautaud also explains the six forces driving virtually every ethical choice we face Exploring some of today s most challenging ethics dilemmas and showing you how to develop a clear point of view speak out with authority make effective decisions and contribute to a more ethical world for yourself and others *The Power of Ethics* is the must have ethics guide for the 21st century
