Come As You Are: Revised and Updated Emily Nagoski, 2021-03-02 A revised and updated edition of Emily Nagoski's game changing New York Times bestseller *Come As You Are* featuring new information and research on mindfulness desire and pleasure that will radically transform your sex life For much of the 20th and 21st centuries women's sexuality was an uncharted territory in science studied far less frequently and far less seriously than its male counterpart That is until Emily Nagoski's *Come As You Are* which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them In the years since the book's initial publication countless women have learned through Nagoski's accessible and informative guide that things like stress mood trust and body image are not peripheral factors in a woman's sexual wellbeing they are central to it and that even if you don't always feel like it you are already sexually whole by just being yourself This revised and updated edition continues that mission with new information and advanced research demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible

The History of Science Fiction and Its Toy Figurines Luigi Toiati, 2023-12-21 This eye opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby Toy Soldier Collector Science fiction as the name suggests is the combination of science and fantasy In addition to a literary form it also encompasses film TV comics toys and our beloved toy astronauts or other figures such as aliens monsters and other playable genres The term science fiction was coined by publisher Hugo Gernsback around the first decades of the last century to refer to the predominantly space adventures covered in his magazines Space invaded radio cinema TV and consequently for a long time toy figurines were predominantly space related later evolving into other themes This lavishly illustrated book covers both the history of literary science fiction following in the footsteps of contemporary official criticism and toy figurines inspired by science fiction You will also find several other themes such as the link between science fiction figures and cinema radio TV comics and more Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it

The Better Decision Pekka Hannula, 2024-08-22 How to live our life better and worse We'll get a lot of advice from our family and friends but they live their own lives We can listen but more important is to know how to advise yourself If you know yourself the thought is clear and even in a difficult situation the advice is best possible The Better Decision asks how we relate to matters affecting us our health work companion friends our own culture We make every day often even at night decisions related to these If they are better rather than worse we can say to ourselves that life suits us If you want to help your companion family member or a friend to make right decisions please give her him The Better Decision Remember to sign it Making Decisions When making decisions for life it's good to ask the right questions Relationships A bad sign in a

Rigney,2019-11-08 This innovative introduction to literary studies takes the life of texts as its overarching frame It provides a conceptual and methodological toolbox for analysing novels poems and all sorts of other texts as they circulate in oral print and digital form It shows how texts inspire each other and how stories migrate across media It explains why literature has been interpreted in different ways across time Finally it asks why some texts fascinate people so much that they are reproduced and passed on to others in the form of new editions in adaptations to film and theatre and last but not least in the ways we look at the world and act out our lives The Life of Texts is designed around particular issues rather than the history of the discipline as such Each chapter concentrates on a different aspect of the life of texts and introduces the key debates and concepts relevant to its study The issues discussed range from aesthetics and narrative to intertextuality and intermediality from reading practices to hermeneutics and semiotics popular culture to literary canonisation postcolonial criticism to cultural memory Key concepts and schools in the field have been highlighted in the text and then collected in a glossary for ease of reference All chapters are richly illustrated with examples from different language areas **Race and**

Popular Fantasy Literature Helen Young,2015-08-11 This book illuminates the racialized nature of twenty first century Western popular culture by exploring how discourses of race circulate in the Fantasy genre It examines not only major texts in the genre but also the impact of franchises industry editorial and authorial practices and fan engagements on race and representation Approaching Fantasy as a significant element of popular culture it visits the struggles over race racism and white privilege that are enacted within creative works across media and the communities which revolve around them While scholars of Science Fiction have explored the genre s racialized constructs of possible futures this book is the first examination of Fantasy to take up the topic of race in depth The book s interdisciplinary approach drawing on Literary Cultural Fan and Whiteness Studies offers a cultural history of the anxieties which haunt Western popular culture in a century eager to declare itself post race The beginnings of the Fantasy genre s habits of whiteness in the twentieth century are examined with an exploration of the continuing impact of older problematic works through franchising adaptation and

imitation Young also discusses the major twenty first century sub genres which both re use and subvert Fantasy conventions The final chapter explores debates and anti racist praxis in authorial and fan communities With its multi pronged approach and innovative methodology this book is an important and original contribution to studies of race Fantasy and twenty first century popular culture [Green Governance](#) Burns H.
