Digital Marketing Strategies for Value Co-creation Wilson Ozuem,Michelle Willis,2022-03-21 Online brand communities OBCs are hugely important in the development of marketing strategy but it is unclear how marketers can effectively utilise these platforms to enhance and develop consumer engagement For an online brand community to be successful it should allow members to feel a connection to the brand and with other members while forming a disconnection from those not belonging to the community It should also have rituals and traditions that join members together over a revered commonality and moral responsibility in contributing to the community Indeed brands play active roles in securing degrees of activity in OBCs through content that offers members the quality of engagement they seek This book focuses on contemporary digital marketing issues in OBCs offering a comprehensive examination of consumers response to active engagement in such communities It discusses how

brands can tap into the various levels of participation engagement and online conversations in the development of marketing strategy and ultimately examines how an online brand community strengthens value co creation Balancing theory with practical approaches this book gives serious treatment to an important yet until now overlooked area of digital marketing strategy providing an important resource for scholars students and practitioners *IDIOTS* Katie Roche, 2021-01-04 The rise of identity politics in the past decade has been impossible to miss Issues such as race sexuality and gender identity have enveloped the left in the UK and the USA Politicians big business and celebrities have all got behind these causes While this might appear progressive there are many negative consequences of identity politics Perfect for the general reader as well as those who wish to study this topic in depth this book offers an analysis of the impact of identity politics from a socialist perspective It will examine how identity politics has damaged the left by analysing examples of identity politics in action from both sides of the Atlantic And it tells us why it s time for the left to return to its class based roots
