★★★★☆ MIGHTY NICELY MADE BUT TOO SMALL FOR ME/US

Reviewed in the United States on May 14, 2023

Although I liked the thoughtfully designed layout and items that were included like a cutting board lid and two tiny sauce containers, etc, I was too dismayed by the small overall size, I thought it would have been big enough for a meal for my husband and I to share, but it looked like something to fit a grade school child. So I sent it back without even trying it. I had spent a lot of time comparing bento boxes online before narrowing it down to the features on this one, which sounded ideal, but I guess this was not a good idea for older people's meals, maybe just snacks.
