he now has to wed her at the sharp end of a shotgun But can a reformed rake like Maxim ever make a good husband or will his own notorious reputation and the scandalous secrets of his aristocratic family destroy his newfound happiness Alessia Demachi has defied and outwitted kidnappers and traffickers and won the heart of the man she loves but can she make this marriage work Confronted by Maxim s lurid past his forbidding family and the looks and whispers of London s elite will she ever be seen as Maxim s countess or will she always be his former cleaner Amazon Benedetta Brevini,Lukasz

Swiatek,2020-11-26 Taking a political economy of media approach this book examines Amazon as a significant actor in the global media landscape Amazon is mainly conceived in the popular consciousness and media commentary as a corporate body selling products and services to individual consumers and organisations but Brevini and Swiatek show that Amazon has become a communication giant that trades in diversified media its own and others and exerts a significant influence on global communication especially through its online services Further the authors provide evidence of Amazon s multiple influences on politics economics and culture With its comprehensive and critical overview this book is ideal for students scholars and researchers of media and communication studies and political economy Hollywood and China in the Post-postclassical Era

Lara Herring,2024-03-18 This book examines the contemporary relationship between Hollywood and China as case studies that help to define a new era in Hollywood film industry style and economics which is termed the post postclassical period Centred around a case study of Legendary Entertainment the analysis shows how the studio adopted and adapted its global strategies in order to gain access to and favour within the Chinese film market and how issues of censorship and financial performance affected the choices they made Demonstrating Legendary s identity as a post postclassical studio and examining how this plays into its China strategy this book explores how this particular case and the necessary analysis of wider political economic relations offer a periodisation of the contemporary Hollywood China relationship This book will interest students and scholars of media and film studies as well as academics whose research interests include global cinema Hollywood Chinese cinema transnational cinema and film industry studies **Nerds, Goths, Geeks, and Freaks** Trevor
