Release the Snyder Cut Sean O'Connell, 2021-03-01 We're currently in the golden age of superhero blockbusters. Movies like Black Panther, Wonder Woman, Joker, and Avengers: Endgame routinely break box office records and compete for Oscars. Yet Zack Snyder's 2017 behemoth Justice League, a veritable sure bet at the Hollywood casino, tanked miserably. And behind the scenes, reasons for the movie's demise are fascinating. The true story behind Justice League's failure is only half of the juicy narrative, though. Snyder, who left the project months before filming concluded, still fans the flames that surround the rumor of a Snyder Cut of the film. This allegedly is the version of the story he wanted to tell before the studio Warner Bros pulled him off of the project. Hence the Snyder Cut: Pop culture fans love a meaty mystery, and the controversy swirling around the lost Snyder Cut of Justice League has been captivating comic book movie fans for years. Additionally, an army of passionate DC and Snyder fans are committed to getting the Cut released. They already have gone to incredible lengths to fight for the movie's opening and have found strength, support, and charitable goals in their global family of Snyder Cut supporters. Their stories are remarkable, and the book is just as much about the dedicated fans who make up the Snyder Cut movement as it is about the unreleased film. Their efforts finally paid off with the recent announcement that Snyder's cut will be released in 2021 by Warner Bros and HBO Max. Release the Snyder Cut tells the entire story.

Word-of-Mouth in Contemporary Hollywood Simon Hewitt, 2023-07-26 Word of Mouth in Contemporary Hollywood provides a unique insight into the potential for online communication to enable audiences to exert a greater impact on film industrial practices than ever before. In an overarching analysis of contemporary Hollywood film financing, marketing, distribution, and exhibition practices, Simon Hewitt recontextualises word of mouth in light of social media and examines the growing impact of audience participation. Using a Bourdieuan economic approach, he applies qualitative research methods to better understand the contemporary Hollywood film audience, the contemporary Hollywood film industry, and the mechanisms that connect the two. The book explores new film financing mechanisms that incorporate fans into the packages used to secure production funds. It assesses the role of Grassroots Intermediaries in contemporary film marketing campaigns. It critiques democratic crowdsourced methods of film distribution and finally it considers the possible future of Hollywood film exhibition. By helping to bridge the gap between the gift economy and commodity culture, this book will appeal to students and scholars of media industry studies, media finance, and economics, fan and audience studies, film studies, film history, and media marketing.
