Guide to Event Promotion Nigel Jackson, Katie Angliss, 2017-07-14 This Practical Guide to Event Promotion offers the reader a short and succinct overview of the range of marketing communication materials from print to social marketing that can be used to promote an event successfully to the correct target markets. It includes invaluable advice on how to identify the type of communication tools most applicable to the type of event that is being promoted and its target market, how to effectively use and implement these useful tips on things to avoid as well as suggested time frames to use before, during and after the event. Examples of best practice and insights from events marketers are integrated throughout. Although full of practical information, a strong theoretical base underpins the advice included on how event managers can apply communication and persuasion theory to key audiences. This book will be a useful resource for Events Management students putting on an event as part of their course and for assessments and those wanting to convert general theory into practical skills they will use in the workplace.

The Squared Circle Eric Moreau, 2008-08-01 Create a wrestler and lead them to the very pinnacle of the wrestling industry winning titles and engaging in feuds along the way. Will you become a legend?
