If billionaire Max O'Reilly doesn't take my video off his hookup app, I'll destroy more than his high-end laptop. But this computer genius is no geek. He's all tanned skin and hard muscle and knowing looks. And my man picker must be broken beyond repair because I can't help responding to his cocky grin. Max has figured out my secret: I love to be watched. But I never imagined my hateful ex would upload a video of me pirouetting in nothing but my ballet slippers. Now my job as a social media influencer is on the line. Because who's going to hire an unwitting porn star to promote their products? The Silicon Valley CEO wants to make it up to me, and I do need a respectable-looking fake boyfriend to save my reputation. But when a game of beachside truth or dare turns X-rated, the heat between us could fry any electronic device. And when the king of kink wants more than a hookup, I know I should exit stage right before I'm the one who gets burned.
