Goodreads Choice Review Store Hours:

White Feminism Koa Beck, 2021-01-07 Koa Beck writes with passion and insight about the knotted history of racism within women's movements and feminist culture past and present. Curious, rigorous and ultimately generous, *White Feminism* is a pleasure and an education. Rebecca Traister, New York Times bestselling author of *Good and Mad*, Intellectually smart and emotionally intelligent, Beck brilliantly articulates how feminism has failed women of colour and non-binary people. She illuminates the broad landscapes of systemic oppression and demands that white feminism evolve lest it continue to be as oppressive as the patriarchy. Patrisse Khan Cullors, cofounder of Black Lives Matter, author of *When They Call You a Terrorist* and joint recipient of the Sydney Peace Prize. Don't judge this book by its cover. Koa Beck knows that feminism includes all women and girls by definition and is writing to overcome anti-feminist divisions that divide and defeat us. Gloria Steinem. A timely and impassioned exploration of how our society has commodified feminism and continues to systemically shut out women of colour. Join the important conversation about race, empowerment and inclusion with this powerful new feminist classic and rousing call for change. Koa Beck, writer and former editor in chief of *Jezebel*, boldly examines the history of feminism from the true mission of the suffragettes to the rise of corporate feminism with clear-eyed scrutiny and meticulous detail. She also examines overlooked communities including Native American, Muslim, transgender and more, and their difficult and ongoing struggles for social change. In these pages, she meticulously documents how elitism and racial prejudice has driven the narrative of feminist discourse. She blends pop culture, primary historical research and first-hand storytelling to show us how we have shut women out of the movement and what we can do to change things for a new generation. Combining a scholar's understanding with hard data and razor-sharp cultural commentary, *White Feminism* is a witty, intelligent and profoundly eye-opening book that will challenge long-accepted conventions and completely upend the way we understand the struggle for women's equality.

The Mother of All Booklists William Patrick Martin, 2014-12-24 *The Mother of All Booklists: The 500 Most Recommended Nonfiction Reads for Ages 3 to 103* is written for parents, grandparents and teachers unfamiliar with the bewildering array of award and recommended reading lists. This book is a long-overdue composite of all the major booklists. It brings together over 100 of the most influential book awards and reading lists from leading magazines, newspapers, reference books, schools, libraries, parenting organizations and professional groups from across the country. *The Mother of All Booklists* is to reading books what the website Rotten Tomatoes is to watching movies: the ultimate one-stop synthesizing resource for finding out what is best. *Mother* is not the opinion of one book critic but the aggregate opinion of an army of critics. Organized into five age-group lists, each with one hundred books: preschoolers (ages 3-5), early readers (ages 5-9), middle readers (ages 9-13), young adults (ages 13-17) and adults (ages 18+). *The Mother of All Booklists* amalgamates the knowledge of the best English language booklists in the United States, including a few from Canada and Great Britain. Each of the 500 books is annotated, describing the contents of the book and suggesting why the book is unique.

analysis in the broader context of social network applications and social media Twitter accounts of telecommunications companies are analyzed Rumor sources in finite graphs with boundary effects by message passing algorithms are identified The coherent state of the art collection of chapters was initially selected based on solid reviews from the IEEE ACM International Conference on Advances in Social Networks Analysis and Mining ASONAM 17 Chapters were then improved and extended substantially and the final versions were rigorously reviewed and revised to meet the series standards Original chapters coming from outside of the meeting round out the coverage The result will appeal to researchers and students working in social network and social media analysis

Strategic Decision Making Simon Haslam, Ben Shenoy, 2018-01-03 Making strategic decisions is a fundamental skill for leaders and managers However in a business environment that is in a constant state of change making strategic decisions has never been more difficult Strategic Decision Making addresses this challenge by providing a framework that can be used to make sound decisions in an uncertain world Structured around the core concepts of framing experimenting and scaling this book will ensure that efforts are focused where the need is greatest that interventions are tested evaluated and revised if necessary and that successful initiatives are effectively rolled out across the business Packed with real world examples and backed up by academic research Strategic Decision Making will allow today's leaders and the leaders of tomorrow to make successful and defensible business choices It shows how to avoid decision making bias overcome organizational inertia manage the difficulties of rigid organizational structures and avoid being side tracked by outdated or irrelevant experience Essential reading for business practitioners and management students alike this comprehensive guide provides a robust approach to achieving strategic success

HOW MUCH IS YOUTH WORTH? Rosie Nguyen, HOW MUCH IS YOUTH WORTH Part 1 How did I learn IF I WAS TWENTY The good habits we form as a child do not make a small difference rather they make all the difference Aristotle I do not know how many times I hear young people around him grieving bored tell no know what to do And then do not know what to do we kill the time with the little pleasures Rong played through the month sleeping lazy or immersed in love But when I went through the end of the Twenties I was in the thirty threshold looking back I was sorry Seeing now life has so many opportunities many things to do many things to learn I don't have enough time for you Thinking if I know these things when I go to school when I was young surely my life would be different I would be less of a lot of things Who has gone through the old and the little children know how much The one off time is not returning The most valuable thing that young age has is time but a lot of young people do not know what is useful with their time In fact there are many things to do when people are young

Eating Wildly Ava Chin, 2016-09-13 Chin who writes the Wild Edibles column for the New York Times goes looking for love blackberries and wild garlic in this wildly uneven yet warmly exhilarating memoir Trekking through Central Park and other urban beaten paths and backyards Chin leads us on a journey of discovery as she searches for the tender shoots poking through cement cracks and hardy wild plants resisting winter's bite

Storizen Magazine August 2021 | Point of View
