Humanizing Human Capital Solange Charas,Stela

Lupushor,2022-09-13 The work world is changing faster than ever before Adapting to this new reality without a significant interruption in results is increasingly a top priority for all businesses The key to thriving through disruption is understanding and practicing human capital strategies that will drive enterprise performance and value creation In Humanizing Human Capital renowned business thought leaders Solange Charas PhD and Stela Lupushor reframe traditional HR practices into a future forward strategy to optimize human capital Charas and Lupushor shift decision making about people from a gut sense to an evidence based approach a critical and much needed departure from the cross your fingers and hope for the best approach of most traditional HR programs today Humanizing Human Capital reveals a step by step method to apply analytics approaches to human capital while anticipating inevitable changes in the workforce landscape This will enable human capital professionals to generate positive outcomes for all stakeholders and allow management to make decisions that work for the entire enterprise With this book s comparison of traditional with the future forward approach to human capital management case studies real world situations and 20 business principles you will learn to Adopt a best evidence versus best practice approach to decision making Shift your thinking so that you view human capital as a crucial investment rather than as a sunk cost Identify what needs to change to respond to future pressures and apply critical thinking to create workable solutions Balance human capital analytics with the more human centric elements of people management Equip yourself with approaches and tools to interpret the collective voice of the workforce Utilize methods to measure and optimize human capital efficiency increasing your ROI Increase value for all key stakeholders including investors management workers customers partners and the community at large The road ahead may seem unpredictable and even treacherous but Humanizing Human Capital provides leaders of any organization a new framework to create resilient responsive and innovative organizations with tangible and sustainable business results

Children, Sexuality, and the Law Sacha M.

Coupet, Ellen Marrus, 2015-05-22 American political and legal culture is uncomfortable with children s sexuality While aware that sexual expression is a necessary part of human development law rarely contemplates the complex ways in which it interacts with children and sexuality Just as the law circumscribes children to a narrow range of roles either as entirely sexless beings or victims or objects of harmful adult sexual conduct so too does society tend to discount the notion of children as agents in the domain of sex and sexuality Where a small body of rights related to sex has been carved out the central question has been the degree to which children resemble adults not necessarily whether minors themselves possess distinct and recognized rights related to sex sexual expression and sexuality Children Sexuality and the Law reflects on some of the unique challenges that accompany children in the broader context of sex exploring from diverse perspectives the ways in which children emerge in sexually related dimensions of law and contemporary life It explores a broad range of issues from the psychology of children as sexual beings to the legal treatment of adolescent consent This work also explores whether and when children have a right to expression as understood within the First Amendment The first volume of its kind Children

Sexuality and the Law goes beyond the traditional discourse of children as victims of adult sexual deviance by highlighting children as agents and rights holders in the realm of sex sexuality and sexual orientation
