Valentine, 2011 An accessible timely and stimulating introduction to the sociology of gender *The Kaleidoscope of Gender Prisms Patterns and Possibilities* Third Edition provides a comprehensive analysis of key ideas theories and applications in this field as viewed through the metaphor of a kaleidoscope This collection of creative articles by top scholars explains how the complex evolving pattern of gender is constructed interpersonally institutionally and culturally and challenges students to question how gender shapes their daily lives Like the prior edition the Third Edition maintains a focus on contemporary contributions to the field while incorporating classical and theoretical arguments to provide a broad framework Integrating a cross cultural focus and intersectional inquiry this unique text reader vividly illustrates that gender is a malleable continuum of prisms patterns and possibilities Funism: the New Religion Richard T. Childers, 2009 One of our most enduring national myths surrounds the men and women who fought in the so called Good War The Greatest Generation we re told by Tom Brokaw and others fought heroically then returned to America happy healthy and well adjusted They quickly and cheerfully went on with the business of rebuilding their lives In this shocking and hauntingly beautiful book historian Thomas Childers shatters that myth He interweaves the intimate story of three families including his own with a decades worth of research to paint an entirely new picture of the war s aftermath Drawing on government documents interviews oral histories and diaries he reveals that 10 000 veterans a month were being diagnosed with psycho neurotic disorder now known as PTSD Alcoholism homelessness and unemployment were rampant leading to a skyrocketing divorce rate Many veterans bounced back but their struggle has been lost in a wave of nostalgia that threatens to undermine a new generation of returning soldiers Novelistic in its telling and impeccably researched Childers s book is a stark reminder that the price of war is unimaginably high The consequences are human not just political and the toll can stretch across generations **No Return** J.
