Own Your Thoughts OWN YOUR LIFE Teresa S. Neal, PhD, 2021-09-20

When situations pop up that turn our world upside down what do we do We often become overwhelmed and fall victim to our circumstances We may desperately want to take control of our lives but don't know how The good life seems to float just beyond our reach What can we do to make our lives better Is it possible for us to take control of our lives After decades of research and teaching Dr Neal has discovered a valuable path to better health and more joy filled living And the route is surprisingly simple It's all about thoughts Own Your Thoughts Own Your Life offers a comprehensive and compassionate guide for taking control of one's life through a deeper inspection of the way we think Dr Neal introduces readers to a process of thought examination through a series of exercises which are easily done at home building gradually into a journey of reflection and changing small habits for a much bigger overall gain Thinking about thinking isn't something we're prone to do every day Some people have never been encouraged to be critical or introspective at all Whether you are totally new to the concept or have tried this before Neal is there with you every step of the way I found the narrative to be skilled and confident with an upbeat and friendly tone that shies away from clinical terms although there's clearly a lot of solid research and knowledge underpinning every principle The exercises feel more like opportunities than hard work which is encouraging I fully intend to incorporate these ideas into my daily life going forward Overall Own Your Thoughts Own Your

Life delivers everything it promises and would make a valuable addition to anyone's personal library Five Star Review from K C Finn for Readers Favorite Any generally curious person will find this book engaging Dr Neal inspires readers to continue to think long after they've closed the book Ben Beese former student Most books on Mindset are fluff mere pop psychology Dr Neal has written an in-depth book of techniques and strategies to change your life and alter your way of thinking Robert G Allen 5X NY Times Bestselling Author *Munsey's Magazine* for ... ,1916 Yachting ,1996-02 **The Year of Less** Cait Flanders,2019-01-15 The Year of Less In her late twenties Cait Flanders found herself stuck in the consumerism cycle that grips so many of us earn more buy more want more rinse repeat Even after she worked her way out of nearly 30 000 of consumer debt her old habits took hold again When she realized that nothing she was doing or buying was making her happy only keeping her from meeting her goals she decided to set herself a challenge she would not shop for an entire year The Year of Less documents Cait's life for twelve months during which she bought only consumables groceries toiletries gas for her car Along the way she challenged herself to consume less of many other things besides shopping She decluttered her apartment and got rid of 70 percent of her belongings learned how to fix things rather than throw them away researched the zero waste movement and completed a television ban At every stage she learned that the less she consumed the more fulfilled she felt The challenge became a lifeline when in the course of the year Cait found herself in situations that turned her life upside down In the face of hardship she realized why she had always turned to shopping alcohol and food and what it had cost her Unable to reach for any of her usual vices she changed habits she'd spent years perfecting and discovered what truly mattered to her Blending Cait's compelling story with inspiring insight and practical guidance The Year of Less will leave you questioning what you're holding on to in your own life and quite possibly lead you to find your own path of less
