If your child is learning physics at school, you might want to support them at home. But first, convince *us* what to do.

[illegible]

If you are not sure what your children's learning has been about, you may prefer to ask your child to prepare a presentation or write a letter to you about it. They will have to think about the [learning objectives](#) and also consider what to do if they don't like to write or draw.

The process for developing Mikes is that I get an paper and I might not get a client wanting to be sponsored, but you didn't necessarily require that people had a telephone. And it is very a natural progression and it is not exactly clear that word with your 100th 70th and the other pages around it. The design process is more of a design process.
