Pumpkin Spice Concert Tickets Near Me:

Venus Hanleigh Bradley, Mia Harlan, Silver Springs Library, 2021-09-20 My memory loss is so bad I can't remember half the stuff I've done. So how am I supposed to make one relationship work let alone three? I'm Venus and I've got amnesia. Or at least I think I do. My memory's filled with black holes. Why can't I remember my childhood or the parents who raised me? How did I end up in this random small town and why can't I remember what happened five minutes ago? I somehow end up on a road trip with Neptune, a girl who I barely even know. She ditches me in a small town called Silver Springs with no money, no phone, and no way to get home. So I need to find her. What I find instead is a wart on the tip of my nose. How did that get there? It's no wonder the three Hotter than the Sun men I meet don't seem to realize I exist. Ernest, who owns an anti-romance bookstore, is more interested in reading. Stefano, the doctor who claims he's in the mafia, says he doesn't date patients. News flash: this wart isn't going to fix itself. And Chett, the famous guitarist for Not a Vampire, has a son who seems to hate me. The planets must be misaligned or I might be cursed because the gaps in my memory are growing. I'm falling for Ernest, Stefano, and Chett, but how can we have a happy ever after when I can barely remember who they are? Venus is a standalone in the Solar Mates Series set in the Silver Springs shared universe and comes complete with a happily ever after. Scroll up to read this fun, quirky romance today. Search Terms: paranormal amnesia, silver springs shifters, wolf shifters, mafia doctor, books, book shifter, unique shifters, genies, djinn, single dad, single father romance, romcom, romantic comedy, reverse harem, why choose, multiple mates, fated mates, celebrity, celibate, hero, college, cursed, first love, fish out of water, magic, mermaid, siren, mythology, rock star, virgin. *My So-Called Perfect Life* K.A. Berg, 2020-10-02 Ever since I was a little girl, I had a picture-perfect life planned for myself. Become a teacher and make a difference. Check. Surround myself with the best of friends. Check. Find a man who loved and valued me. Check. What I did not plan for was for that expertly crafted life to implode twenty minutes before I walked down the aisle. My life went into a tail spin, spiraling out of control. Instead of hiding under a crocheted blanket on my couch with a pint of rocky road and a gallon of Pinot, I decided to hang on and see where this insane ride took me. Things couldn't possibly get any worse, right? WRONG. People should stop asking that question because things can always get worse. But amid the relentless and humiliating tests life threw at me, I found something. Something I never thought I'd find with the last person I'd expect to find it with. I didn't plan for Ryan Cohen, but maybe the best things in life shouldn't be planned. Maybe the secret to the perfect life is just letting go and allowing the universe to drop you exactly where you need to be. *Marketing Mastery: Strategies for Captivating Audiences* Harish Chandra Singh Rathod, 2022-12-21 Master the art of marketing with strategies designed to captivate and engage audiences.
