A Practical

Guide to Ethics in Public Relations Regina Luttrell, Jamie Ward, 2018-02-09 On a daily basis public relations practitioners are tasked with making ethical decisions such as advising a client to fully disclose a corporate relationship or advocating for honesty when working with the media A Practical Guide to Ethics in Public Relations is designed for courses in contemporary studies of public relations and communications This text highlights the delicate balance required to navigate the values and demands implicit to the field of public relations and those that underlie society as a whole Students are encouraged to examine their own values and compare them to those commonly encountered in a professional setting Brimming with case studies practitioner advice practical ethical dilemmas and popular culture references A Practical Guide to Ethics in Public Relations is the ideal text for students grappling with the inevitable ethical dilemmas that arise in professional public relations

Gaming Democracy Adrienne L. Massanari, 2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley's emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism
