waved at my mom as she crossed the traffic light and turned around These days the morning air was fresh so going for a walk had become an important part of the routine It was almost impulsive at first but now if I didn't go out with her she would feel sad so it became a daily routine I decided to change my old habit of sleeping late anyway so I decided to study for the TOEIC Get around JunHyung Yes The morning sun beat down on the elementary school as the students participated in their physical education class I plugged in my earphones and watched the kids running and playing on the playground It was a heartwarming sight seeing the children in their colorful T-shirts and clothes and enjoying the warm weather I couldn't remember the last time I had been so carefree I felt a twinge of envy Suddenly the shrilling sound of a whistle pierced the air My attention was drawn to the gym teacher who was standing at the front of the class leading the children in their activities Even though I tried to avoid it I couldn't help but notice the teacher I don't know if it's a coincidence but every time I passed by the playground at this time I would see the children and the teacher I quickened my pace eager to get home Sister I heard my name being called out over the music playing in my earphones At first I thought it was someone else but then I saw my younger brother SeoJun waving at me frantically I was a bit embarrassed And there he was with a red face and an awkward smile peaking through the fence I knew I shouldn't be interrupting the class but I couldn't resist the urge to go over and pat his head gently Your sister is busy I have to go quickly SeoJun you shouldn't interrupt the class Go listen to your teacher okay Yes Did mom go Yes and now I'm on my way home I have to go now SeoJun Behave and listen to your teacher SeoJun nodded earnestly and went back to class But he didn't forget to give me one last wave before I turned to leave I couldn't help feeling embarrassed as I gave a quick bow to the gym teacher and hurried off Ugh That was so embarrassing As soon as I arrived home I rushed to tidy up the house I quickly folded the laundry that I had left out to dry and put it away not forgetting to grab the clothes that had been haphazardly thrown aside Even as I went about my chores I couldn't stop thinking about how embarrassed I had been earlier No matter how much I tried to push it out of my mind I couldn't shake the image of myself in my knee-length workout suit and slippers I took a quick look around the now organized house and grabbed a glass of water As I glanced at the clock I saw that it was already noon There was no time to waste I grabbed my TOEIC book covered in notes and highlights and began reviewing the questions I had gotten wrong As I worked a sigh escaped from my lips
