World Series Tips:

The World's Easiest Guide to Finances Larry Burkett, 2001-01-01 Many financial resources are confusing to the average person. Leading Christian financial expert Larry Burkett answers the call for a simplified yet comprehensive guide to financial management with The World's Easiest Guide to Finances. It is a comprehensive reference work that makes complicated terms and concepts easy to grasp with a touch of humor and builds the confidence of a person of any experience level that they can understand and implement the information. Features helpful CD ROM with the following contents: Interactive Budgeting Guide. Users simply enter their current expenses and this handy guide provides a visual representation of their budgets. The Debt Eliminator. Users enter debts, amounts, payment information and interest rates and this helpful tool gives prioritized plans to pay off their debts.

Baseball Hacks Joseph Adler, 2006-01-31 Baseball Hacks isn't your typical baseball book; it's a book about how to watch, research and understand baseball. It's an instruction manual for the free baseball databases. It's a cookbook for baseball research. Every part of this book is designed to teach baseball fans how to do something. In short, it's a how-to book one that will increase your enjoyment and knowledge of the game. So much of the way baseball is played today hinges upon interpreting statistical data. Players are acquired based on their performance in statistical categories that ownership deems most important. Managers make in-game decisions based not on instincts but on probability: how a particular batter might fare against left-handed pitching, for instance. The goal of this unique book is to show fans all the baseball-related stuff that they can do for free or close to free. Just as open-source projects have made great software freely available, collaborative projects such as Retrosheet and Baseball DataBank have made great data freely available. You can use these data sources to research your favorite players, win your fantasy league or appreciate the game of baseball even more than you do now. Baseball Hacks shows how easy it is to get data, process it and use it to truly understand baseball. The book lists a number of sources for current and historical baseball data and explains how to load it into a database for analysis. It then introduces several powerful statistical tools for understanding data and forecasting results. For the uninitiated baseball fan, author Joseph Adler walks readers through the core statistical categories for hitters: batting average, on-base percentage, etc.; pitchers: earned run average, strikeout-to-walk ratio, etc.; and fielders: putouts, errors, etc. He then extrapolates upon these numbers to examine more advanced data groups like career averages, team stats, season-by-season comparisons and more. Whether you're a mathematician, scientist or season ticket holder to your favorite team, Baseball Hacks is sure to have something for you. Advance praise for Baseball Hacks: Baseball Hacks is the best book ever written for understanding and practicing baseball analytics. A must-read for baseball professionals and enthusiasts alike. Ari Kaplan, database consultant to the Montreal Expos, San Diego Padres and Baltimore Orioles. The game was born in the 19th century, but the passion for its analysis continues to grow into the 21st. In Baseball Hacks, Joe Adler not only demonstrates that the latest data mining technologies have useful application to the study of baseball statistics, he also teaches the reader how to do the analysis.

himself arming the dedicated baseball fan with tools to take his understanding of the game to a higher level Mark E Johnson Ph D Founder SportMetrika Inc and Baseball Analyst for the 2004 St Louis Cardinals *Geary's Guide to the World's Great Aphorists* James Geary,2008-12-08 Both an expert and a collector James Geary has devoted his life to aphorisms and the last few years to organizing indexing and even translating them The result is Geary s Guide featuring aphorists like Voltaire Twain Shakespeare Nietzsche Woody Allen Muhammad Ali Emily Dickinson and Mae West as well as international practitioners appearing in English for the first time But it is more than just a conventional anthology It is also an encyclopedia containing brief biographies of each author in addition to a selection of his or her aphorisms The book is a field guide too with aphorists organized into eight different species such as Comics Critics Icons and Painters Poets The book s two indexes by author and by subject make it easily searchable while its unique organizational structure and Geary s lively biographical entries set it apart from all previous reference works A perfect follow up to Geary s New York Times bestseller *The World in a Phrase* Geary s Guide is eminently suitable for browsing or for sustained reading A comprehensive guide to our most intimate idiosyncratic literary form the book is an indispensable tool for writers and public speakers as well as essential reading for all language lovers *Culture Hacks* Colin D Ellis,2022-01-01 The go to guide to transforming the way you work from award winning international speaker Amazon 1 best selling author and renowned culture change expert Colin D Ellis Culture is the 1 determinant of team and organisation success and yet too many people still don t know where to begin the evolution process Often they will change the office layout implement the latest silver bullet method or have the CEO start walking around saying hello to people through gritted teeth These are lip service responses to culture change that don t provide any incremental improvements to people s working lives Culture Hacks is filled with simple actionable ideas that over time can transform the way that work gets done From emails to book clubs and meetings to podcasts take regular steps to build a fantastic work culture that everyone wants to be a part of As there are 26 Culture Hacks in the book readers and their teams can try a different one every two weeks for a year Alternatively they could pick one thing every month or they could divide them across different areas within their team so that different people are doing different things Or they could put them all in a hat and pick one out to try Doing something differently will make your team memorable in a host of great ways and create stories that they ll share for years Culture change isn t hard you just don t know how to hack your day With Culture Hacks you do *Wonder Wits Teaching Guide* Timothy Tuck,2005 A teaching resource providing varied activities on problem solving inventiveness and higher order thinking skills as part of thinking skills creativity lessons
