Logic for Programming, Artificial

Intelligence, and Reasoning Robert Nieuwenhuis,Andrei Voronkov,2001-11-21 This volume contains the papers presented

at the Eighth International Conference on Logic for Programming Artificial Intelligence and Reasoning LPAR 2001 held on

December 3 7 2001 at the University of Havana Cuba together with the Second International Workshop on Implementation of

Logics There were 112 submissions of which 19 belonged to the special submission category of experimental papers intended

to describe implementations or comparisons of systems or experiments with systems Each submission was viewed by at least

three program committee members and an electronic program committee meeting was held via the Internet The high

number of submissions caused a large amount of work and we are very grateful to the other 31 PC members for their e

fficiency and for the quality of their reviews and discussions Finally the committee decided to accept 40papers in the

theoretical category and 9 experimental papers In addition to the refereed papers this volume contains an extended abstract

of the invited talk by Frank Wolter Two other invited lectures were given by Matthias Baaz and Manuel Hermenegildo Apart

from the program committee we would also like to thank the other people who made LPAR 2001 possible the additional

referees the Local Arrangements Chair Luciano García and Andrés Navarro and Oscar Guell who ran the internet based submission software and the program committee discussion software at the LSI Department lab in Barcelona and Bill McCune whose program committee management software was used *A description of colloquial Guarani* Emma Gregores, Jorge A.
