The Me I Left Behind Madeleine Jaimes, Maddie James, 2025-06-24 She thought she could make the marriage work until it nearly destroyed her In The Me I Left Behind Book 4 in the emotional and uplifting Tuckaway Bay series Maggie Oliver takes center stage On the outside Maggie has it all three beautiful children a stunning home and financial security But behind closed doors her marriage to the charming but controlling Max has become a prison What began as a calculated agreement has turned into something much darker When a shocking discovery shatters the fragile illusion of her life and a tragic event upends everything she thought she knew Maggie is forced to ask herself At what point did she stop being her And how does she find her way back This poignant and powerful novel explores the raw truths of domestic abuse the quiet strength of women s friendships and the complicated bonds between mothers and daughters Note This novel has a running theme of domestic and family violence including emotional and physical abuse In the United States domestic violence affects an estimated 10 million people annually as many as one in four women and one in nine men It comes in many forms and affects families in countless ways Many cases go unreported to health professionals or the authorities

The Second Song: The Complete Series Emily Stone, 2014-03-27 What do you do when everything in your life just feels wrong Elise Leroux seems to have it all a glittering pop career and a cabinet full of awards not to mention her hot pop star boyfriend Silas But it s not all that it seems the songs chosen by her management are cheesy and as for Silas well that is nothing more than a showmance encouraged by their shared management Despite her frustration at the lack of input she is allowed into her career Elise is not looking forward to an enforced break between touring and starting her new album and is even less thrilled when her manager suggests that she return to Louisiana to get in touch with her Cajun roots The last time she was home she wasn t exactly made to feel welcome in town And then there is Avery A past love not yet forgotten how will she respond when she finally sees him again SNEAK PEEK Elise Leroux Is that really you Avery I gasped Boy has he grown up I tried not to stare You deign us with your presence He laughed reaching for his jeans after he d towed off most of the mud I d seen him do this a thousand times but he d been a boy back then Don t be mean you know I love this place I said playfully encouraged by his lighthearted tone Come on over I ve got a load of grass ready for L oma I should have been back a month ago I m sure she s out by now Not quite I poled over to the dock where his pirogue was loaded with the kind of grass you could only find deep in the bayou He d been working hard all day I feel bad you ve been doin this for gran all these years I said as I joined him on solid ground trying not to stare at the hard muscled chest of a man I hardly recognized but he seemed so familiar at the same time I just assumed she got her swamp grass from ole Mr Thibodaux She does from time to

time but I don't mind helping her out. So what brings you home? He asked, clearly avoiding my gaze as he tied the last bundle of grass and hefted it into the boat. His jaw was clenched almost like he was intimidated and didn't know how to act around me. I'd seen that look often enough with the people who worked for me and I did not want to see it on Avery's face. Oh, taking a much-needed break from my life as a performing seal, I said with a huge sigh, hoping to ease the tension I felt between us. He burst out laughing and I saw a bit of the old Avery return. I've often wondered if you saw it or if you were so blinded by the glitz and the glam that you didn't realize it. What? That I'm a pop princess puppet dancing to the strings my managers wield? Yeah, I see it. I've always seen it, Avery. I've just always hoped it would lead to something more for me. And has it? He asked, easing his pirogue back into the water, linking it with mine and securing both to the dock. I don't know who I am anymore, so no, I suppose not. It was odd how quickly we slipped back into our old ways of brutal honesty. I had always been able to count on Avery to tell me the truth. It was part of what hurt us the most when we parted ways; we'd been too honest and hurtful with one another. This is the complete series edition of *The Second Song* **Music Law in the Digital Age** Allen

Bargfrede, 2017-05-01. Berklee Press. With the free-form exchange of music files and musical ideas online, understanding copyright laws has become essential to career success in the new music marketplace. This cutting-edge, plain-language guide shows you how copyright law drives the contemporary music industry. By looking at the law and its recent history, you will understand the new issues introduced by the digital age as well as continuing issues of traditional copyright law. Whether you are an artist, lawyer, entertainment Web site administrator, record label executive, student, or other participant in the music industry, this book will help you understand how copyright law affects you, helping you use the law to your benefit. How do you get fair compensation for your work and avoid making costly mistakes? Can you control who is selling your music on their website? Is it legal to create mash-ups? What qualifies as fair use? How do you clear another artist's samples to use in your own recordings? What is the Creative Commons Copyleft movement? How do you clear music for use in an online music service or store? Who decides who gets paid how much and by whom? You will learn the answers to these questions as well as the basics of copyright law, looking at the Copyright Act while explaining it in plain language. How revenue streams for music are generated under copyright law. The reasoning behind high-profile court decisions related to copyright violations. What licenses are needed for the legal online delivery of music. The intricacies of using music on sites like YouTube, Pandora, and Spotify. Deficiencies in current copyright law and new business model ideas. *PC Mag*, 1998-09-01.
