Public Relations and Strategic Communication in 2050 Alexander V. Laskin,Karen Freberg,2024-11-25 Taking stock of the technological political economic and social trends that exist today this book extends the discussion to analyze and predict how these trends will affect the public relations and strategic communication industry of the future This book is divided into two sections the first addressing such key topics as artificial intelligence AI big data political polarization and misinformation the second

looking at key facets of the profession such as media relations crisis communication and measurement and evaluation. Leading researchers in the discipline share their analysis of these topics while also providing theoretically based and practically relevant insights on how the industry must evolve to keep up with and perhaps anticipate changes in culture, society and technology. This book will be of interest to scholars, industry professionals and advanced undergraduate and graduate students in public relations and strategic communication.

The War on Conservatives Mark Dice, 2023-11-07
 Conservatives are under attack on numerous different fronts by a well funded highly organized Marxist movement. The war is being waged in the public schools and universities, in corporate America, the legal system, the media and in the streets. American symbols and holidays, Christianity and churches and even the nuclear family itself is under siege. LGBTQ extremists are preying on children while White people are being systematically demonized by Critical Race Theory which is just antiwhiteism in disguise. And millions of illegal aliens have been allowed to invade our country. Censorship on social media is being leveraged by cancel culture mobs to silence critics and those trying to fight back. Democrats are even inciting and endorsing violence against their opponents using Antifa and Black Lives Matter foot soldiers all while being cheered on by Hollywood celebrities. And there are even traitors in our midst. Cowardly conservatives and RINOs who have sold out our principles for profit and power. Media analyst Mark Dice takes you to the front lines in **The War on Conservatives**.
