the theoretical and practical reference guide for R D managers responsible for emerging and future technologies **Small Business Marketing In A Week** John Sealey,2013-04-26 Marketing your small business just got easier It s been said that the most important area for any business to focus on is its marketing Of course there are areas like finance customer service and the product or service itself which are key but without good marketing approaches there s no revenue for your account systems to do their job there s no customer to serve and the product or service becomes redundant Most business owners are experts in what they do and so they should be What they also have to be good at is marketing what they do And if you feel there s more you could be doing on the marketing front then this book will give you those ideas As a small business owner you get involved in all aspects of your business and marketing is such a large field you can t be expected to learn everything you need in one day So to break down this behemoth of a topic we ll approach it a bite at a time You have in your hands a tool that will guide you through what s needed day by day over the period of a week That way you re not trying to eat the elephant all at once The unpredictable nature of marketing your business will start to disappear as you move through the necessary steps needed to make your marketing efforts more effective than ever before Some of the ideas you may already be implementing while others may well be new to you Either way putting them together into a proven system will enable you and your business to thrive regardless of the economic climate you find yourself in You re about to learn in a week how you can have a marketing system that enables you to attract win and keep more customers and as a result build your sales and your profitability Sunday Preparing the ground Monday Attracting the right type of customers Tuesday Keeping your customers longer Wednesday Increasing customer loyalty and purchasing frequency Thursday Increasing the value of your sales Friday Getting new clients and better clients faster Saturday Measuring and managing your marketing activities

Get in Gear Sean Ryan,2020-06-03 Get in Gear The Seven Gears that Drive Strategy to Results 978 0 367 47149 1 335422 Shelving Guide Business and Management Leadership Strategy Only 10% to 25% of organizations get it right when it comes to achieving the expected results from their strategic planning This means 75% to 90% of them are leaving results on the table and wasting their time on things that don t matter Almost a decade ago a major steel manufacturer approached Sean Ryan and his team to help them think through how to better convert strategy to results This was the catalyst for the seven gears that translate strategy to results found in Strategy Execution Results SXRTM Why Gears Gears transmit energy The more aligned they are and the less friction in their chain the better they function Leaders can easily identify the gear creating the most friction and then take action to better align that gear with the strategy generating better results This creates momentum to improve the alignment and performance of other gears This approach also emphasizes the ways everyone in the organization has some influence over every gear Based on Sean Ryan s consulting and training with organizations from start ups to the Fortune 100 he s found that these performance gears drive better results You ll employ them to align your goals with your strategy create visible scorecards to know whether or not you re on track and identify the

critical behaviors and actions that will drive performance Readers will use this book to point their efforts toward getting meaningful results from their strategy As noted in the Harvard Business Review The prize for closing the strategy performance gap is huge increasing performance by at least 50% for most organizations After moving beyond their initial amazement of just how misaligned they were they ll be able to quickly apply the seven gears to sell better and more drive down costs improve quality and safety and recruit talent for the future In addition there s nothing in this book that has not been applied in actual business settings While companies could use the SXRTM Framework to overhaul their organization top to bottom they ll also appreciate that they don t have to change everything at once to make progress Upon understanding each of the gears and how to create Follow up and Follow through they ll be able to improve any gear to start seeing strategic outcomes You ve got it in Gear now Stay in Gear Join the Strategy Execution Results Community www.wwici.com Gearheads **Diploma in Fundraising (crowdfunding) - City of London College of Economics - 3 months - 100%**
