Early Access Deals Review Setup:

Medical Law Emily Jackson, 2016 Providing a clear and accessible guide to medical law this work contains extracts from a wide variety of academic materials so that students can acquire a good understanding of a range of different perspectives

FDA in the Twenty-First Century Holly Fernandez Lynch, I. Glenn Cohen, 2015-09-08 In its decades long effort to assure the safety efficacy and security of medicines and other products the Food and Drug Administration has struggled with issues of funding proper associations with industry and the balance between consumer choice and consumer protection Today these challenges are compounded by the pressures of globalization the introduction of novel technologies and fast evolving threats to public health With essays by leading scholars and government and private industry experts FDA in the Twenty First Century addresses perennial and new problems and the improvements the agency can make to better serve the public good The collection features essays on effective regulation in an era of globalization consumer empowerment and comparative effectiveness as well as questions of data transparency conflicts of interest industry responsibility and innovation policy all with an emphasis on pharmaceuticals The book also intervenes in the debate over off label drug marketing and the proper role of the FDA before and after a drug goes on the market Dealing honestly and thoroughly with the FDA s successes and failures these essays rethink the structure function and future of the agency and the effect policy innovations may have on regulatory institutions abroad
